Expression of Interest Form

YEAR 7 – 2018

Preamble:
Viewbank College has experienced an increased demand for places in Year 7 and Viewbank College Council has decided the Year 7 intake for 2018 to be approximately 225 students. The Viewbank College Council believes that we should aim for an overall enrolment of around 1300 students. The careful completion of this form and its prompt return to Viewbank College will help Grade 6 students, their parents and Viewbank College handle the enrolment process in a fair and equitable way.

Enrolment criteria in order of priority:

1. A student for whom Viewbank College is the designated neighbourhood government school; closest to the student’s permanent residential address. Proof of permanent residential address is required when applying under criteria 1*
   *Criteria 1 only: Please attach a copy of all of the following current documents: gas, electricity, telephone & water bills and either Council rates notice or a licenced Real Estate Agent long term lease agreement.

2. Students with a sibling at the same permanent residence who are attending the College at the same time.

3. Students seeking enrolment on specific curriculum grounds, where there is a specific curriculum need not provided by the student’s nearest government school (e.g. Music, Language)

4. All other students in order of closeness of their permanent residence to the school.

Please visit the Viewbank College website for further enrolment, and general information
www.viewbank.vic.edu.au

When filling in the information page overleaf, please print clearly, completing all relevant sections and submit to the General Office with the required documentation by Friday 12th May, 2017. Additional information may be attached to the completed form. A copy of your child’s Birth Certificate will be required with lodgement of student enrolment forms in September.

Thank you.
