not viewbank.co@edumail.vic.gov.au  
or by accessing Compass by clicking on the following link

---

**Principal Report**

**End of Term:**
After a very busy term which has ended with the Year 10 students out on Work Experience and the Year 9s in Queensland on their activity camp this week, the time has come for a welcome break. For Year 12s, it can be only be a short break as once we resume on July, 13th, they have just three months to work towards their best possible ATAR. It is a very short span of time but an important one, as this is very much about creating opportunities for the future. The future beyond the College is looming fast and they need to realize this.

**Reports:**
Reports will be available on Compass today from 2pm. Report Coordinator, Mrs Emma Ford will be emailing out instructions for accessing the reports on Compass. We hope parents sit down with their child or children and go through these reports carefully to celebrate the triumphs and to examine areas for improvement. The next Student/Parent/Teacher Conference will take place on 3rd of September but if there is concern, please do not hesitate to contact the College.

**Upcoming Key Events:**
Once back on Monday, July 13th, we are in for an action-packed start to term, with three significant events following each other:
• **Presentation Ball** - The Year 11 Presentation Ball candidates are practising their dance routines and gearing up for their big night on Saturday, 8th August. Mrs Lynette Matthew reported that they are doing really well at rehearsals so we are looking forward to celebrating their grand night at the Centre Ivanhoe. We urge family and friends to come along and support them as this is a great Year 11 community evening with lots of good fun and dancing. Please book at [http://www.trybooking.com/HGNN](http://www.trybooking.com/HGNN)

• **LOTE Theatre** - The senior LOTE students are preparing for their madcap night of linguistic fun where Australian pop culture is converted into Japanese and German. Some how it all takes on a life of its own but no matter the change in language, very little really gets lost in translation. The best thing is seeing our senior language students having fun in their LOTE learning. Friends of Viewbank are supporting the evening by providing a wonderful LOTE supper of sushi and rice crackers and of course, delicious ‘kuchen’ or cakes. It is a great night for Middle Years students to come along to see the fun of Senior LOTE. Please book at [http://www.trybooking.com/IAPR](http://www.trybooking.com/IAPR)

• **College Production** - It goes without saying, the whole College looks forward each year to the College Production week. After meeting with the production team, and also talking with Year 12s in the cast, there is such an enthusiastic vibe. I get the feeling that Viewbank College will do Mel Brooks, ‘The Producers’ proud. Ex student Brett Schembri, from Ray White Real Estate Agency in Macleod, has kindly produced our advertising board at the front of the College and at the Banyule Theatre, so that our local community can read all about the show. Do not leave ticket purchases to the last minute as tickets are selling fast. Tickets are on sale for $27 Adults, $20 Children/Student/Concession and $85 Family (2 adults & 2 children). To order go to [http://www.trybooking.com/HDYP](http://www.trybooking.com/HDYP)

**Community Forum Evening:**
On the 2nd June, the community came together for the Community Forum evening and I have already thanked all those who attended. We sought feedback about our Compass communication system and the feedback was useful. We will be having a meeting with John De La Motte from Compass and the feedback will be used as a focus on what our community values and what improvements they spoke about on the evening. The major focus was on generating community discussion towards establishing future priorities for special College projects. The College Council Blueprint of 2011 has served the College beautifully in establishing the priorities which have translated into the current Performing Arts/Admin/Music Project. Prior to the June 2nd evening, the staff had been asked to prioritise areas for improvement and we used this as a prompt for discussion on the night. In terms of future planning for infrastructure, there were very useful insights from the community evening that were different to staff ideas. This material is being synthesized under the three main categories:

- **Long Term planning of future infrastructure ($100,000 ++).** This would necessitate external funding.
- **Intermediate ($50,000 - $100,000).**
- **Short Term ($25,000 - $50,000).**

From the feedback, the Building and Grounds, sub-committee of Council has already identified the major priority areas for long-term planning that will be the feature of new College Blueprint. Please note that these are long-term projects to be worked towards once the current project is achieved. They are:

- **Priority 1:** Upgrade Science Facilities.
- **Priority 2:** VCE Facility- Top floor of Library.
- **Priority 3:** Replacement of old relocatables with permanent classrooms.
- **Priority 4:** Upgraded Sporting Facilities- astro turf for soccer field / Gym extension / possible shelter over the lower basketball courts.
- **Priority 5:** Refurbishment of the Thomson Theatre for specialist provision of curriculum if the College retains this facility.

As there is a wealth of material that has come in from staff and the community evening, it will be further sorted and prioritized under the two remaining headings and will form the focus of internal College projects that the Buildings and Grounds sub-committee will oversee. I will give an update for each of the two categories in future newsletters.
Very few College or schools entertain the thought of community forums but a strength of Viewbank College is the interest, goodwill and collective wisdom of our parents, teachers and students. Thank you to all those who attended and particularly, the College Councillors and the Leading Teachers who led table discussions.

**Going forward** -
- Continue synthesis of feedback - prioritise minor works for the 2016 budget.
- Prioritise Intermediate projects.
- The Buildings and Grounds will draw up the next College Blue Print by Term 4.

**J Block Courtyard Locker Bay:**
At last, this week has seen the start of the construction of the J Block Courtyard Locker Bay with the raising of very large steel girders. The lockers that have been placed in storage due to the unforeseen delays, are in readiness to be installed after the completion of the project. I am sure our Year 9 and 10 boys will welcome their new facility in early Term 3.

**Student Leadership:**
**Out of Uniform Day** - Last Friday, 19th June, the SRC ran an Out-of-Uniform Day to raise money to assist the with Nepalese recovery from the devastating the earthquake. The SRC designated that the majority of the money would go to this very worthy cause and that a small amount would be put aside towards a College project that they and Friends of Viewbank are working on. The desire is to provide shelter in the Year 7 courtyard area. The total amount raised was $1844.15 and from that, $1500 will be donated to the Nepal Earthquake Appeal with the balance going towards the Year 7 shade structure.

**Parliament House** - On Tuesday 23rd, it was a pleasure to take College Captains, Georgia Rutland and Andrew Vassett to Parliament House at the invitation of Ms Mary Wooldridge, Leader of Opposition Business and Mr Bruce Atkinson, Speaker of the Legislative Council - for the Upper House of the Victorian Parliament. They are MLCs for the Eastern Metropolitan Region and their combined Upper House constituencies range from the base of the Dandenongs to Viewbank. This function for School Captains was to provide an opportunity for young leaders to see the Legislative Council in session and to tour Parliament House. It was a wonderful opportunity to see the beauty of the Victorian Parliamentary building and to learn that it is gradually being restored to its former glory which was erected out of the wealth of the Victorian Gold Rush. We saw both houses, the chambers of the current opposition, the magnificent Library and toured the underground passages which are in fact under the great basalt steps that lead up to the building. Our parliamentarians have offices under there and in little nooks, crannies and towers all over the building and they have exactly three minutes once the bells are rung, to get into the chamber or be locked out. The narrow winding stairs do not make it an easy dash at any time, our hosts explained. We watched the Upper House come back in after adjournment and watched the antics of the Upper House, as a member was giving her address. In assemblies, awards ceremonies and public speaking finals, our students know how to listen to each other and are generally respectful, so Andrew, Georgia and I were quite shocked that this poor woman who had the floor, representing her Bendigo constituency, was being ignored. Conversations were taking place all over the chamber or she experienced, unhelpful interjections. The Acting Speaker was listening but not bringing the others to order. It was hard not to reflect on the time that member put into writing her speech and how it was an exercise in futility. The experience was excellent and we thank these politicians for their kind offer. Andrew and Georgia were fabulous company and the three of us had a brilliant evening.
Science Leaders - Big Scope Science at Viewbank College

Two VCE students, Natasha Mohamad-Daniel of Year 11 and Sam Feeger of Year 12 are impressively representing the College’s Science Domain beyond the College. Sam Feeger, who came into the College, at the start of this year from Horsham, attended the National Youth Science Forum which was held at the Australian National University in Canberra. This program is open to Year 11 students around the country and consists of 2 weeks living on campus, attending lectures, debates and some of Australia’s biggest and best science facilities in both the public and private sectors. The program also consists of several personal and social development events with Australia’s leading scientists, science bodies and politicians. As a NYSF Alumni, Sam has now applied for and been selected to represent Australia at the 2015 London International Youth Science Forum. He will be taking up residence at Imperial College London for two weeks, whilst participating in the forum alongside 400 of the world’s most passionate science students. Sam leaves for London on the 21st of July and we wish him safe travel and an amazing learning experience. Sam has the amazing opportunity to build up contacts across the globe. As a response to his Canberra experience, Sam has promoted the NYSF to Year 11 Science students and Natasha Mohamed–Daniels of Year 11, is applying for the National Youth Science Forum which will be held in January 2016 at the Australian National University in Canberra. We wish Natasha every success in achieving a place in the program.

Friends of Music: Autumn Festival:

After the excellent Autumn Festival, with the combined excellence of the students and staff of the Instrumental Music Program and the parents of Friends of Music, I would like to report that the final fund-raising for the Autumn Brunch was $5,094.61 and for the Autumn Night was $2,596.18. The total of $7691 was a record for the Autumn Festival and the Friends of Music Parent Group should be very proud of their efforts as should our Music students and staff.

To all students, staff and their families we wish everyone a safe and relaxing break in order to reboot for Term 3.

Health News

On Tuesday, Stephanie Moorehouse, an Olympic Gymnast spoke to the Year 11 Health classes about her experiences as an Olympian. It was a great opportunity to hear about an elite athletes training, the drug testing, diet, sacrifices and all the ups and downs of being a professional athlete. The Year 11 Health classes got to hold her gold medals and to ask questions relevant to their present course work. Thank you to the Australian Olympic Committee for organising Stephanie to speak the students.
Senior School News

Key dates
• Thursday June 16 - Senior Years Awards Assembly - Periods 3 & 4 - Gym

Years 10 - 12 Holiday Study Program
In addition to enjoying spending some time away from the routine of school, students are expected to undertake a program of study during each term holiday. Please reinforce with students the importance of ensuring that their holidays include an effective study program. The purpose of this study is to reinforce their understanding of concepts and material covered, and to support their preparation for end of year examinations.

In each subject, students are encouraged to:
• Consolidate their understanding of work covered to date by organising their notes, reviewing class work and completing summaries
• Review and reflect on their progress to date, especially in light of the recent Exam Week
• In particular, Units 3/4 students are encouraged to complete relevant sections of past external exam papers, available from the VCAA website. Whilst textbooks are good at explaining concepts and building on skills, there is no better revision tool than past exam papers. Only by doing these, will students be exposed to the variety of questions they will encounter in their end of year exams and be able to practise and build on their skills.
• Determine their personal goal/s for each subject eg. keeping up to date with class preparation, ongoing refinement of summary notes, forming a study group or setting coursework goals, examination goals and end of year results goals.

Living Spirit Fellowship 2015 - 2016
The purpose of the Fellowship is to nurture in young people in our local community an understanding of the role that many Australians played in securing the great freedom that we enjoy today. The Fellowship enables a secondary student, with a parent, to visit an historic off-shore war location where Australians have sacrificed their lives.

Years 10, 11 & 12 students are encouraged to apply. Please see Mrs Calder in the Coordinators Office for more information.

Best wishes for a restful and enjoyable break!

Sue Calder
Senior Years Leader
9091 3870

AFTER SCHOOL STUDY GROUPS

Mondays in G3 with Mr Papadakis
3.20pm - 5.00pm

Mt Buller Daytrip 2015
During Term 3 the Year 8 Cohort will have the opportunity for an exciting day trip to Mt Buller Alpine Resort. Students will learn either Skiing or Snowboarding in a 1.5 hour lesson and then spend the afternoon on the slopes with their classmates. 8A to 8D will attend on the Thursday 27th August and then 8E to 8H will attend on Friday 28th August.

Trip cost is $200 and includes coach travel, gate entry, 1.5 hour lesson, lift ticket, ski/snowboard hire, boots, helmet, wrist guards. This payment, plus any additional equipment hire cost is due on Friday 31st July and can be paid on Compass. Please note that Ski Jacket and Ski Pants can be hired and this requires a separate form that is attached on the following page.

Itinerary
5:45am Students arrive at the College for a sharp 6am departure (No Waiting!)
8.00am Toilet stop in Mansfield.
9:30am-11.00am At Buller Sports (Mt Buller Village), students collect equipment.
11:30am to 1.00pm Ski or Snowboard lesson.
1.00pm to 1:45pm Lunch at the ABOM restaurant.
1:45pm to 4:15pm Free Ski/Board time with supervising teacher.
4:15pm Students return their equipment at Mt Buller Village.
5.00pm Bus leaves for Yea.
7.00pm – 7:45pm Dinner in Yea.
7:45pm Bus leaves for Viewbank College and returns between 8:30 and 9pm.

Compulsory Gear List
Due to the changing nature of alpine weather, all of the following equipment is compulsory regardless of the weather forecast.

- Waterproof ski jacket and ski pants. Mt Buller do hire out a jacket and pants for $36. (The form for this is attached)
- Beanie, scarf, ski goggles and ski gloves
- Warm jumper/fleece, thick ski socks, thermal pants/leggings
- Packed breakfast (no breakfast stops) and snacks for the day
- Packed lunch and dinner or bring $30 (ish) to buy both

Andrew Blair
Year 8 Level Leader
Mt Buller Additional RENTAL Form:

Name:  .................................................................  Form:  ......................

Mt Buller rent a Ski Jacket and Pants for $36 and this needs to be paid by July 31st.

Please complete your Credit Card Details Below and return to the General Office.

Please note that this is an additional extra and that skis and boots and snowboard and boots are included in the $200 trip price - which is payable on Compass.

Students are also required to bring beanie, scarf, ski goggles and ski gloves, warm jumper/fleece, thick ski socks, thermal pants/leggings. Mt Buller do not hire these items, however they can be purchased at the rental shop on Mt Buller (this is an expensive option).

Music News

Performance at Heidelberg Uniting Church
Thank you to Mr van Gemert and the students who performed at the Heidelberg Uniting Church recently. The audience thoroughly enjoyed the variety of music that was performed.

A.M.E.B (Australian Music Examination Board)
Please note that the enrolment date for the last session of AMEB exams for the year is Monday of the second week of term 3. Any students wishing to enrol for an A.M.E.B exam should speak to their music teacher before enrolling. These external exams give students a goal to work towards and are an experience that enhances their playing/singing skills immensely. Enrolment forms are available from the Music Office. The relevant dates are as follows:

Trybooking

Viewbank College Production “The Producers - A New Mel Brooks Musical” is managed by "Trybooking".

Trybooking is an online system that has been designed to look after event ticketing.
You can/will:

- Purchase tickets 24 hours a day, 7 days a week
- View and select your preferred seating
- Be automatically provided with a booking confirmation, receipt and ticket via the email

Trybooking is simple to book tickets, just click on the link provided, select event, select your seats, confirm quantity of seats (adults and/or children/students), complete booking details and credit card details and then process.

All bookings are to be paid for by credit card (Mastercard or Visa) and incur a 30 cent booking fee per seat.

Any ticketing enquiries please contact Deanne in the General Office on 9458 2811.
