Health and Well-Being Evening:
This Tuesday evening, at 7pm in the Library, the Health and Well-Being Committee will host a Parent Forum on Digital Media. The Health and Well-Being Committee is a joint parent/teacher/student group and this initiative is designed for parents to examine the latest issues for young people and the impact upon them. Please see the attached flyer. This is an evening designed to help parents deal with the increasing encroachment of the virtual world on adolescent real world well-being. To book, please click on the following link http://www.trybooking.com/IJPL

LOTE Theatre - Thursday 23rd July:
This coming Thursday, 23rd July, at 7.30pm, the annual Senior School LOTE evening will take place. Come along to a night of LOTE madness with lots of fun, frivolity and blatantly ham-acting. For an enjoyable night with great supper of ‘kuchen’ and ‘sushi’ please book through http://www.trybooking.com/IAPR

College Production:
The last week of the holidays saw our College Production cast and orchestra in full rehearsals for this big event shortly upon us. The College Production will take place between Tuesday 28th July and Saturday 1st August at 7.30pm and a matinee on Saturday 1st August at 1pm. The current status of tickets is that 823 tickets have been sold to date out of a possible 1410. To book tickets, please click on the following link http://www.trybooking.com/HDY

Bus Travellers:
Dysons Bus Service have advised that they have been successful in lobbying for additional services. Commencing this week, the express Heidelberg Station service will travel via Rosanna Station (morning and afternoon). Students who would normally travel on the Northland 517 Route bus might find this new service more to their liking. Dysons are hopeful this service will reduce overcrowding on the current public Route 517 bus.

It is most important that students use their MYKI cards correctly by touching on when boarding and touching off when disembarking. I need for parents to reinforce this with their child, who might hold six month and yearly passes. All students must be accounted for. They need to use their passes just as do travellers using Myki cards. The data that comes from correct card use informs the PTV re the need to retain services. If students do not comply then future services may be cut and given that we, Dysons and the State MP for Ivanhoe, Mr Anthony Carbines have fought hard for additional services, we do not want them jeopardized.

Please find attached an updated summary of bus timetable services. We, along with Dysons Operations Staff, are monitoring this change to services.

Year 9:
Our Year 9s had a fantastic time in Queensland in the last week of Term 2 and there has been so many complimentary reports from staff. Our Year 9s were punctual and appreciative of staff; supportive and inclusive of each other and they happily travel in all the activities. Well done Year 9s and a big thank you to Well-Being Leader, Ms Lisa-Marie O’Connor, her assistant Ms Jess Budge and to all the teachers who contributed to making this such a fine experience for the Year 9s.

Key dates for Years 9 Parents to Note:

- **Offer for VCE studies for 2016 for Year 9s:**
  Students who have strong academic results and who have applied for accelerated VCE Unit 1 & 2 studies next year will receive offers on or about Tuesday, 21st July.

- **Subject selection day with parents:**
  Friday, 24th July is set aside for parents to attend a subject confirmation interview with their Year 9 child. Parents and students will need to discuss subject selection for 2016 prior to the 24th July. Bookings are now open for parents to set up a time to accompany their child to meet with a Course Counsellor. Year 9s will not attend school on that day except for the appointed time.
City Experience Information Evening - Monday, 10th August at 7pm:
At the end of this term, 9th to 11th September, the Year 9s will have their City Experience Week but to prepare for this week, on August 10th, a City Experience Information Evening will be held to take parents through this enquiry-based learning event and the expectations for students.

Year 10:
Year 10 Work Experience: The Year 10s have had lots to think about in terms of their future pathways and more immediately, subject selections for Year 11, since their Work Experience in the last week of Term 2. The Year 10s are to be congratulated on their positive approach and application over that week. The reports from employers coming in are so complimentary. For some students, their experience has confirmed the general direction they wish to pursue. For others, it has at least been an opportunity to experience the working world and for some, they now know what they do not wish to do. Whichever way, they have some real working knowledge and experience to hopefully, assist in their searches into future pathways. Well done Year 10s and thank you to Mr Duncan Pitt who organized the week and supported students.

Year 10 VCE Offers: Please note that Year 10 students with strong academic results who have applied for accelerated Units 3 & 4 for 2016, will receive offers on or about Tuesday, 21st July.

Award Ceremonies:
Yesterday, saw two wonderful Awards Ceremonies for the Middle Years and for the Senior School. From both assemblies, it is uplifting to see the numbers of students who have earned either Endeavour Awards or Academic Awards of Excellence.

Certainly, it is evident that our students are keen to do well and it is a pleasure to give recognition to those students who are striving to do their best. As I explained to students, these awards are about effort, not talent. Students might have all the talent in the world but it is effort that makes the difference to actual achievement. Along with the subject awards, there were a significant number of sporting trophies awarded for teams that have made it to State Finals and for the individual age champions for the Swimming and Athletics Carnivals and for Cross-Country. Students who had participated in the Geography Competition received their awards and so did the huge numbers of students who achieved Bronze and Silver Awards for the Language Perfect Competition; attesting to the enthusiastic participation in this online competition. At next week’s General Assembly, the Gold winners will be awarded their certificates. The ANZAC Poetry Awards for the Senior and Middle Years competitions were awarded to participants. Natasha Whittingham for the Middle Years and Charlotte Tyler for the Senior Years, whose poems were read during our 100th Commemoration of the Gallipoli Landing at the April ANZAC Day Assembly, were indeed very deserving winners.

A highlight of each assembly yesterday was the calibre of the multi-media highlights of the College Production in rehearsal and the quality of the musical items. Both assemblies ended with multi-media presentations reflecting the special events of Semester 1 with lots of images of students at work and play.

At The Middle Years Assembly, Erin Morgan of Year 8 opened with a spine-tingling rendition of ‘Advance Australia Fair’ - it was a perfect start which made us all feel so proud to be Australian. During the assembly, the first musical interlude came from the Year 8 and 9 Guitar Ensemble: Tara Draper, Genevieve Nice, and Nicola Ingvarson-Favretto who performed ‘22’ by Taylor Swift. The guitars sounded great and Nicola sang with a gorgeous smokey voice. I am sure all the Taylor Swift fans were thrilled but then, we were all thrilled. The last item for that assembly, was from the Year 9 Performance Group which included Mitchell Hale, Matt Jones, Manal Jalaldeen, Lars Schering and Jake Lonergan who were performing their own original song, ‘Loaded Lonely’. The song reflects the multi talents of the group and featured Jake’s superb voice. Just beautiful!

For the Senior School Assembly, ‘Advance Australia Fair’ was performed by Charlotte Lewis and again, this was another fine performance of our anthem. Well done, Charlie! The Year 10 Performance Ensemble, consisting of Mislav Boltuzic, Amy Gagnon, Alexander Marshall, Lucy Buerckner, Giles Sando, Asher Mrocki
and Rebecca Coe provided the instrumentals, while Andrea Magill, Anastasia Grekos and Amelia Robinson harmonised in a splendid performance of ‘Rather Be’ by Clean Bandit. The Year 11 group consisting of Ben Cooke, Jai Lafferty, Jack Cai, Ryan Gagnon and Rhys Wilson completed the performances for the Senior Assembly and they were a tour de force. These musicians gave Rhys excellent backing for his stella performance of Michael Jackson’s ‘I Want You Back’. Bravo Rhys, Jack, Ryan and Ben.

To all those who received a certificate or a trophy, as well as those who participated as Student Leaders or performers, I wish to congratulate your focus on ‘Caring for Excellence’.
