Principal Report

Sickness:
Currently, the winter ills have hit the College with increasing numbers of staff and students experiencing nasty colds and viruses. While we are very much mindful of the DET policy of ‘Every Day Counts’ when it comes to attendance, we ask that sick students are kept in the warmth of their home to help them get over their sickness quickly and do not come to school and spread the viruses further. We are all in need of a dose of sunlight at the moment but until the weather changes, please make healthy foods and warmth a priority.

‘The Producers’: Brilliant!
Not only has this been a week of winter woes but also, traditionally, this is the week of the post-production blues with our acting cast, dances, crew, orchestra and the teaching staff, all recovering from our highly energetic show. This year’s production of Mel Brooks’ ‘The Producers’ proved to be a very naughty, edgy satire which is vintage Mel Brooks’. Despite the inanity, the political incorrectness and the slapstick, this production was highly sophisticated and demanded great precision. The quality of this production was nothing short of professional. It was a testimony not only to the talent of our students but also their sustained hard work to bring to
the College Community a show of excellence. The Director of this year’s production was Amy Bryant; her first for the College and we thank her for her vision and her capacity to get the very best out of the students. The ‘real’ Producers are Ms Caitlin Brown, a teacher at the College, and Ms Jessica Brown and Mr Ben Mogford, who are our Theatre Technicians. Together they were such a dynamic team who watched over every aspect of the show. Ben’s other role was as set designer and lighting designer, while Jessica added set design and sound design to her contribution. Whichever way, it is so wonderful having such committed people to steer the direction of the production and ensure the quality that has become synonymous with a Viewbank College Production. Saskia Kohler, an ex-student, took on choreography for the first time and her work was superb. There was lots of dance training and of course, the tap sequences required even more extensive training as most of the ‘tappers’ had not had previous experience. From the dancing, we would never have guessed this to be the case; proving that Saskia is a fine teacher.

The Music Score was complicated needing to be carefully synchronized and our Maestro, Andrew Van Gemert, ensured it was perfect. He had a video link that kept the orchestra’s focus on what was happening on stage and to facilitate the synchronicity. It has all been very high tech. Music Captain, Valentina Griesheimer and Director of Music, Mrs Sarah Williams provided great leadership for the orchestra and of course, we salute Andrew’s focus on music excellence. It was wonderful that this year, we managed to get the orchestra on stage on two of the nights so that the audience could acknowledge their fantastic work. For many members of the audience there was no understanding that all the music was live. Without doubt, the orchestra was superb. A parent who has worked tirelessly and magnificently is Mrs Heather Mulligan; a costume designer of great sophistication and wit. From Vegas style showgirls to dubious grannies, to the Deutschlander outfits with pretzels and sausages and the distinct Wagnerian references or Andrew Vassett’s and Alex Warby’s glamorous dresses, the costuming was outstanding. Heather was given every assistance from Ms Dana Warby and Mrs Julie Jurgens along with students Sarah Mulligan of Year 8 and Methni Dahanayake of Year 12. Heather even created the pigeon puppets for that show-stopping number, ‘Der Guten Tag Hop Clop’ performed by Ben Ingvardon-Favretto.

Ms Jennifer Whitten did all the creative make-up design but the nightly application of make-up was Ms Georgia Goonan’s work and she was given every assistance by Amy Purnell of Year 8. The crew this year, comprised of 35 students who did a remarkable job. Sam Mulligan of Year 11 was the model of patient stage management and there have been many comments about his professionalism and his leadership. Mr Mike Matthews assisted with the crew every night of the production and he was highly complimentary of all the students behind stage. Sound Technician, Talfryn Dawlings of Year 12 led the tech crew and did another amazing coordination job. Talfryn, has over his six years in the College, found that this is his passion and has developed high-level expertise but the great thing is, that he had mentored younger students to take over after this year. Thank you one and all to the front of house students, the backstage team and of course, all those working on sound, lighting and photography.

In terms of the on stage performers, I think I can safely say that everyone gave their best. Congratulations just does not say enough as recognition of the outstanding showmanship of the Principal Cast members: Jordi Hankinson, Jake Lonergan, Alexandra Warby, Ben Ingvason-Favretto, Ethan Francis D’Armour and Andrew Vassett. Their performances individually and collectively were a tour de force. Altogether there were 65 students in the cast as well as the dancers but they moved seamlessly on and off stage. I hope our Year 7s have been so starstruck from this, their first production that they want to be in it next year. To the Principal Cast, the Featured Cast, the Ensemble Cast and the Dancers, I cannot say more than ‘Bravo’!

Every year, it is important to acknowledge the efforts of the Year 12s and also to say that sadly, this is their last production. So many have been in production since Year 7 and have 6 College Production badges to prove it. There are those that have come in along the way and a small number for whom this is their first production. Drama Captain, Jordi Hankinson, College Captain, Andrew Vassett, Music Captain, Valentina Griesheimer and Talfryn Dawlings have been magnificent leaders but the following Year 12s have been such great contributors: Alexandra Warby, Craig Whittingham, Joshua Dempsey, Sean Malcolm, Methni Dahanayake, Ella Turnbull, Luke McGuiness, Amy Capetola, Lani Sellers, Ryan Layton, Louisa Harwood, Charlotte Hunter, Maddy Olsen-Downing, Toby Hope, Salvador Gonzalvo and Jack Williams. Thank you Year 12s. Assistant Principal, John Munro and his FOPAVA team did a fabulous job supporting the production, providing interval suppers and running the canteen. We thank all the parents who helped out each night. Our parents who support these big events are invaluable. Thank you FOPAVA.

A big thank you goes to all the staff who gave up nights doing jobs and behind the scenes. After a big day at
work, those extra hours are very appreciated. There were those there every night for the week and each day they came into teach and there were no complaints. Others gave what they could. All was valued. A production as successful as this requires a whole community to embrace it. Beyond the College we owe a great deal of gratitude to the generosity of our sponsors. Without their contributions, we could not create such a large and dynamic show. Please look carefully at the list of sponsors in the Production Supplement. I hope that they get to reap the benefit of our community’s support in turn. A very big thank you to our sponsors!!

‘Living Spirit Fellowship’:
Are you in Years 10, 11, 12 and interested in history and specifically, Australia’s military history? The Greensborough RSL Sub-Branch’s ‘Living Spirt Fellowship’ is an excellent opportunity to travel to Thailand and experience an ANZAC Day Service at Hellfire pass on April 25th, 2016. The application forms are in the College (Mrs Calder or myself) or can be requested by email from: secretary@rsl-greensborough.com
This is a fabulous chance for the selected student to go on an all expenses tour with a parent - air tickets, accommodation and travel expenses are inclusive.
This is a reminder that applications close on Friday, 23rd October, 2015.

The David Burgess Foundation:
The David Burgess Foundation was established in memory of late David Burgess who made a major contribution to youth, education and the community throughout his life. The foundation aims to assist young people from Government Secondary Colleges who have had a struggle to overcome adversity, who have shown commitment to their goals and to the community. The Foundation makes annual awards to Year 12 students who gain entry into tertiary courses in Victorian Universities and/or TAFE Institutes.
The award winner may be eligible for $4,500 per year towards the cost of a course. They also receive support and guidance from mentors. This award is to help students who have little or no support systems of their own and to support their transition into the tertiary sector.
The applications close on Friday, 9th October 2015. All applicants must have the signed endorsement of the Principal and I certainly will strive to help any students in need towards achieving one of these awards. Please see me if you are interested.

Viewbank Health and Wellbeing News

Viewbank College has signed up to do the ‘Adidas Fun Run’ program in conjunction with our Physical Activity and Nutrition school priority areas. This will be part of the Year 7 Health and Well-Being Day but also include the Year 8 students in the fun run on the 25th August.

We aim to hold the fun run down at the Banyule Flats area in one double period.

The Adidas Fun Run program involves students getting sponsorship to raise money. We have chosen the goal of raising money for Chilled Water Fountains to encourage students to Drink Tap water as a positive way of improving nutrition in the College. Signing up for this also enables us to be in the running to get a $5000 grant towards the drink fountains!

The grant involves a voting process at the CUA Bundoora Branch - see attached for details and please log in and vote for Viewbank - the more votes we get the better the chance to get the grant! Voting is on a pro-rata basis (and we are a big school compared to our primary competitors) so we need everyone's vote! Spread the word.

Pre Fun-Run Year 7 and 8

We will be holding the adidas School Fun-Run as a major fundraising event this year. The event will be held on 25th August 2015. This event is being held to fundraise much needed money towards ‘Chilled Water Fountains’.

The School Fun-Run is a fundraiser which we’ve paired with our Health and Wellbeing Day to promote healthy and active lifestyles to our students! It’s all about participation and students will have a great day and be rewarded for their fundraising with fantastic incentive prizes. Family support is key to our fundraising success and we encourage all students to get involved.

Keep your eyes peeled for the sponsorship forms that will be sent home with you child, we ask that you sign the front page to grant permission for them to fundraise and participate in this event. Students who raise just $10 or more will receive a reward for effort. In the sponsorship form you will also find many other benefits like the chance to win a family holiday to Disneyland!

The adidas School Fun-Run is a healthy fundraiser that ensures all schools have a viable alternative to junk food fundraising. The event sends the right message to students about having fun while getting involved and being active.

Thanks for supporting your child’s wellbeing and our school in raising money towards ‘Chilled Water Fountains’.

Camps, Sports and Excursions Fund - Applications Extended

The Victorian Government have unveiled a new $148 million initiative to ensure all Victorian students can take part in school trips and sporting activities.

The Camps, Sports and Excursions Fund (CSEF) will run over four years and provide payments for eligible students to attend camps, sports and excursions.

Families holding a valid means-tested concession card or temporary foster parents are eligible to apply. $125 per year will be paid for eligible primary school students, with $225 per year paid for eligible secondary school students. Payments will go directly to the school and be tied to the student.

Application forms can be downloaded from this newsletter or alternatively collect a hardcopy from the general office.

Eligibility

Criteria 1 - Eligibility

To be eligible for the fund, a parent or legal guardian of a student attending a registered Government or non-government Victorian primary or secondary school must:

- on the first day of Term two, or;
- on the first day of Term three:

  b) Be a temporary foster parent, and;
  c) Submit an application to the school by the due date.

Parents who receive a Carer Allowance on behalf of a child, or any other benefit or allowance not income tested by Centrelink, are not eligible for the CSEF unless they also comply with one of (a) or (b) above.

Criteria 2 - Be of school age and attend a Victorian school

School is compulsory for all Victorian children aged between six and 17 years of age.

For the purposes of CSEF, students may be eligible for assistance if they attend a Victorian registered primary or secondary school. Typically, these students are aged between five and 18 years.

CSEF is not payable to students attending pre-school, kindergarten, home schooled, or TAPE.

Eligibility date

CSEF eligibility will be subject to the parent/legal guardian’s concession card successfully validating with Centrelink on either the first day of Term Two or Term Three.

A copy of either the Centrelink Health Care Card or Pensioner card is required upon application.

Please Note applications closing date has been extended and will be accepted to 18th September 2015.

For further information access http://www.education.vic.gov.au/csef or contact

Natalie Kennan (Business Manager) 9458 2011.

Camps, Sports & Excursions Fund (CSEF)

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund will ensure that no student will miss out on the opportunities to join their classmates for important, educational and fun activities.

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. The allowance will be paid to the school to use towards expenses relating to camps, excursions, or sporting activities for the benefit of your child.

The annual CSEF amount per student will be:

- $125 for primary school students
- $225 for secondary school students.

This is no coincidence that the smallest club in the Area has produced 20 AFL players, including six currently on AFL lists.

OUR COACHES are all minimum level one AFA accredited coaches and all have working with Children Licences.

We pride ourselves in the development of each player within the team environment and this has seen us win it all the way through to the Premier division Northern Football League and, with nine state title winners, Junior Club members playing in the senior A side and half the senior club board Junior club members.

We have Aflodil - running twice a week (Monday nights & Saturday mornings) for extra coach, for both the convenience of Parents and all our new footy fans.

OUR CLUB has a self governed rule that there is 'No Sipping' allowed be consumed at any training session, any Anzac session and of course at no junior football game what so ever.

OUR SPONSORS are diverse and well versed in the worlds of local footy clubs including VIEWBANK EARLY CHILDHOOD CENTRE, GROWTH GROUPS, Banyule, Macleod and Rosanna small businesses including Sabinos, Better Buys, Great Grocers and real estate.

2016 will see us again play a major part in the seniors junior football Leagues.
