Principal’s Report

Parent/Student/Teacher Conferences:
Next Wednesday, 20th August, bookings will open on Compass for the Parent/student/Teacher Conferences on Compass. Please remember this conference day is for all students so I would advise parents who wish to follow-up on the June reports or have concerns to get in early. If your child is achieving well then it is not necessary to attend. Please note that on this day students are not required at the College until the appointed interview times. The afternoon session begins at 1.30pm and concludes sharply at 5pm. The Evening session begins at 6pm and the last interview time is 8.30pm.

Community Focus Evening:
Focus 2: Student Reporting
Context: While in 2015, there is the reporting of AUSVELS which is mandatory, schools and colleges will have far more autonomy to shape reports. Please be mindful of the considerable time and effort to generate and write reports. On average, for each report cycle, each teacher will report on 150 students and some even more. The College offers three reports: the Interim Report, the Semester 1 and the Semester 2 reports. In addition, three nights are designated for Parent/Student/Teacher Conferences. Two take place at the end of Term 1 and then another night is scheduled for Week 7 of Term 3.

Clearly there are a range responses both positive and needing improvement and some are contradictory. General satisfaction is good, however the Reporting Committee will digest the areas that need to be worked on. It is evident that for the December reports the College will focus on:

- The explanation of what AUSVELS levels mean
- Clear explanation needs of the relationship between assessment tasks and AUSVELS grades –the grade needs to match the comment
- The quality of the comment in terms of matching grades to behavior
- Proof reading
- Careful monitoring of Homework

As we prepare for the 2015 reports, we will certainly use this feedback from the community as a basis for developing quality reports.

**The David Burgess Foundation Awards:**
The David Burgess Foundation aims to assist young people from government secondary colleges who have had to struggle to overcome diversity; who have shown commitment to their goals and those of the community and who with some help have achieved their goals. To this end the Foundation will make awards to Year 12 students who gain entry to tertiary courses at Victorian Universities and/or TAFE institutes. Each recipient may receive $3,800 per year towards the cost of the course as well as the support of a mentor. This award scheme is to help support financially disadvantaged students with little or no support system of their own. The award comes with a comprehensive package of services for deserving students hopefully, the result is a huge difference to the lives of many students. The College has few students who are in need of such support but certainly, we would like to support any application to a deserving student to try to achieve such a scholarship.

**Melbourne Career Expo - This Weekend:**
The Melbourne Career Expo is on this weekend at the Melbourne Exhibition Centre, Clarendon St Southbank. This is a wonderful opportunity to browse around what is the largest and most comprehensive careers event in Australia. This expo features careers advice, employment opportunities, large universities and training representation and also a hands on “Skills Industry Hub” to collect all sorts of career information. See [www.careerexpo.com.au](http://www.careerexpo.com.au)

‘Youth Central’ and Annika Wilson (Graduating Class of 2013):
While at the expo visit the ‘Youth Central’ table where Annika Wilson from last years’ VCE will be helping staff and she will tell you all about ‘Youth Central’. Annika is a regular writer for ‘Youth Central’ which is a Victorian Government website for young people aged 12 -25. It is filled with loads of great information and offers young writers a space as guest reporters. This is a wonderful opportunity for all of our young writers and aspiring journalists. Annika Wilson’s latest article: ‘How to Cosplay: 7 Simple Tips’ offers a fascinating insight into the world of Cosplay. You can read [Annika’s article](http://www.careerexpo.com.au) here.

**Canteen:**
The Canteen Committee met this week and Manager, Cate Frampton reported that volunteers are significantly down. Volunteers usually enjoy the fun of the Canteen Staff and usually are impressed with students. Our students are not rude in the Canteen. We understand that there are many working mums and dads but it would be wonderful if we could get some extra help. Every day offered is so very appreciated. Students love seeing parents helping out. Canteen profits go directly into College improvements and to give an example, after tagging profits over a couple of years, the College paid for a much needed but expensive floor to the Gym in 2012. If you can spare a half day, please come along. Just make a quick phone call to Cate in the Canteen on 8458 2813 or email cframpton@viewbank.vic.edu.au. Don’t be shy, the Canteen is one of the happiest places in the College and parents are very well looked after.

**Parent Payment Statements:**
On Wednesday 13th August, parent payment statements were sent out to families. It is very heartening to see the quick response and we are grateful. For those who have outstanding accounts, we would like these finalised by the end of term. Should there be any queries or difficulties, please contact our Business Manager, Natalie Kennan.
Presentation Ball:
The Presentation Ball last Saturday evening was a spectacular night, with 22 couples being presented. Master of Ceremonies, College Council President, Mr Damian Schulz introduced each student as they were presented to Principal, Mrs Judith Craze and Assistant Principals, Mr John Munro and Mrs Maree Gaffney. From Damian's brief profiles we have learnt about the interests and aspirations of our Year 11s and certainly, they aspire to interesting pathways.
To the delight of their parents, families, friends and the Year 11 cohort generally, the presenting couples completed a series of dances with beautiful precision. I am sure, Mrs Helen Burnett who trained them felt proud of their efforts. She said they were a wonderful group, keen to perform at their best and she got the best out of them. The girls were stunning in their glamorous white dresses and the boys, all Viewbank College boys this year, looked very debonair. I look on this event very much as another ‘rites of passage’ occasion where students are embracing their journey into the adult world. It is also a wonderful celebration for proud families and friends. Saturday night was very much an inter generational evening and so good to see grandparents, brothers and sisters, dads and mums all up and dancing with their special person of the evening. In our busy world, there are not too many occasions where families dress up, formally eat together and dance the night away. A huge thank you to College Councillor, Mrs Lynette Matthew who along with Catherine from Year 9 organised this highly successful event. This is Lynette (and Catherine’s) fourth Presentation Ball and all round accolades go to Lynette and Catherine. A big thank you to Julie Gardiner for her assistance and to Year 11 Well-Being Leader, Samantha Sissons for her attendance at every dance rehearsal. Both she and Mrs Asha Dey, Year 11 Assistant attended on Saturday evening. Viewbank College can be very proud of these fine Year 11 students.

Principal for a Day
On Tuesday, Banyule City Councillor and Deputy Mayor, Mr Steven Briffa visited the College as Principal for a Day. Steven was immediately involved in a strategic planning meeting examining the best possible timetable options to ensure that the majority of students in Years 10, 11 and 12 get most of their subject selections. With 600 students to cater for this is a huge undertaking Steven, who is no stranger to this College, had an opportunity to hear the planning process and gain some understanding of the pressures involved in catering to the learning needs of all students.
Steven then met with the Year 12 College Captains and gave them valuable insights into his own personal business success story and also, his involvement in the Banyule City Council. It was a great insight into how council works and how council strives to cater to a range of competing interests.
Steven met with the Leading Teachers over lunch before leaving to open a council initiative OMNI.
Steven is a man with a long history in business, with all its attendant ups and downs and his message to students was the need to plan, to go that bit extra, to volunteer and build skills and to look for the niche areas to build expertise. We value Steven Briffa’s morning at the College.

The Year 11 Presentation Ball

Last Saturday night, Viewbank College held their 2014 Debutante Ball at The Centre Ivanhoe. Twenty two couples from Year 11 participated in the evening, with hundreds of people there to witness their debut. Throughout the night, the debutantes and partners presented four dances and the night also included live singers, speeches and the occasional ‘Nutbush’. All the debutantes looked stunning in their dresses and their partners stood handsomely by their sides in their suave suits.
A huge thank you goes out to Miss Samantha Sissons, Catherine and Lynette Matthew, Helen Burnett and Julie Gardiner for making sure we were at our best, Damian Schulz for compering the night and to Mrs Maree Gaffney, Mr John Munro and Mrs Judith Craze for supporting this very special event. Lastly, a giant thank you to the debutantes and partners for making the night one to remember.

History News - Competitions
In addition to the two competitions mentioned in a recent newsletter, details of another competition have been forwarded to the College.

Living Spirit Fellowship
This is the ‘Living Spirit’ Fellowship, awarded annually by the Greensborough RSL Sub-Branch. These fellowships were established to ‘nurture younger generations to understand the part played by many Australians in ensuring the great freedom we enjoy today is never forgotten.’

Students are required to make a submission in accordance with an Application form and are asked to state what their expectations are regarding a visit to Hellfire Pass and what message they would bring back to the community. This is an amazing opportunity for students to take up. The Fellowship provides airfares, accommodation and organised tour to Thailand for ANZAC Day 2015 for the successful student and his/her parent.

Application forms are now available. Students should see Mrs. Jones in the A block staffroom if they are interested. This fellowship is open to students in years 10, 11 and 12. The closing date for all submissions is Friday 24th October.

A reminder of the other two competitions:

Premier’s Spirit of Anzac Competition
The Premier’s Spirit of Anzac Prize inspires young people to explore the ethos displayed by the Anzacs at Gallipoli and the Western Front and reflect on how those values apply in Victorian communities today. The Prize is open to students in year 9 and 10 at all Victorian secondary schools. Through the competition 12 students from across Victoria will travel on an overseas study tour to Gallipoli and the Western Front.

Students are required to respond to a question about the ANZAC centenary and can enter research essays, artworks, musical compositions or audio, video or web-based presentations. Entries must be received by Friday 17th October, 2014.

All students in year 9 and 10 are encouraged to think about participating in this competition. See www.veterans.vic.gov.au for more information.

Anzac Day Dawn Service Tour
See www.anzaccentenary.vic.gov.au for information on how to apply.

Students interested in applying for any or all of these tours should see Mrs. Jones in the A block staff room.

Debating News

The fifth round of debating took place on the 4th of August last week at Loyola College with two of Viewbank's senior teams competing.

Representing our B grade team was Isobel Beasley, Jordan Miller and Lachlan McDowell arguing for the affirmative side on the topic "that police should not carry guns on the street." The debate was close but unfortunately Viewbank lost to St Monica's College. Joshua Munro, Lakshmi Ganapathy and Phillip Tinsley, our Year 9 D Grade debaters were also up against St Monica's College. They argued for the affirmative side on the topic "that we should ban examinations in schools", losing only by a single point.

Well done to all students who represented the College in this final round of interschool debating for the season, all students who have been involved in debating this year should be commended on their efforts. At the end of the season, Viewbank's two B Grade teams have victoriously finished 2nd and 3rd in the competition. Our A and D Grade teams finished 11th and 32nd place respectively, yet there is always an opportunity to improve next year.

For those in Year 7 and 8 who are keen on getting involved, junior debating opportunities are coming up over a three week period later this term, so keep watch. In other news, the annual Great Debate will be taking place in the last week of term with staff facing off against students in what is sure to be an entertaining lunchtime.

Diversity Day - Upcoming Event

Expressions of Interest!

On Friday 29th August the Viewbank College SRC will be having a casual dress day (wear purple) to celebrate what we are calling ‘Diversity Day’! We are having a day to celebrate the sexual diversity, cultural diversity and individual diversity of our College Community.

We are looking for interested parties who might be interested in helping us celebrate diversity on this day by, for example, having a food stall that is from your cultural background, having a performance/dance/music on the outdoor stage, hosting a stall that has information on a particular group (eg disabled groups, indigenous groups or same sex attracted groups etc).

Students will be required to bring a gold coin donation State School Relief fund and the other half will go to the shade shelters in the year 7 area.

If you are interested in getting involved in the event please let me know at murray.darren@edumail.vic.gov.au

TERM 2 AND 3 SPORTS DATES
Thursday 21st August Year 7/8 Boys and Girls Badminton at Darebin CSS

INTERMEDIATE GIRL’S BADMINTON

The team won through to the State Finals undefeated through Group and Northern Zone. The team (in order of ranking) consisted of: - Maya G, Joanne Q, Lauren W, Yin Feng Z, Harleen S and Emily W.
At the State Level they played three games in their pool against the following schools:- Suzanne Cory HS, Yarram SC and Seymour C. They won against all three: 4 games/2 games; 4 games/2 games and 6 games/ 0 games respectively.
This meant that we had made it to the semi-finals to play against Glen Waverley. This was a tough competition and they managed to win 4 games/2 games.
The girls are to be congratulated on competing at such a high level and for all of the practice that they put in. They all played at least two games and contributed to the overall success on the day. Special mention goes to Maya who played as our number one seed and did not lose a game on the day.
