Assistant Principal’s Report

1:1 Laptop program:
As from the beginning of 2015, Year 7 and Year 10 students will be engaged in the implementation of the College 1:1 Laptop Program. At these levels, the use of a laptop will be an essential component of teaching and learning at Viewbank College and our expectation is that all 2015 Year 7 and Year 10 students will join this program.

Students will have unprecedented access to functions and features including eBooks, College email, COMPASS, new software, interactive learning tools and IT services. Collaboration with teachers and peers will be enhanced, and students will have the ability to thrive and think critically in an information rich world.

The College is committed to the development of lifelong learning skills that motivate and enable our students to achieve their goals and make a positive contribution to the global community. The introduction of the laptop program is a vital step in this process.
Parents of 2015 Year 7 and Year 10 students are invited to attend our Laptop Information Evening on **Tuesday, 16th September**.

**Venue:** College Library  
**Time:**  
2015 Year 7 - 7.00pm – 7.45pm  
2015 Year 10 - 8.00pm – 8.45pm

On this evening, details of the program will be presented, including the type of mobile device selected. I look forward to seeing you and your child at the Information Evening.

**Year 12 College Captains for 2015 Election Process has begun:**

This week the Year 11 students had a level assembly to begin the very important College Captain election process. The roles and what being a member of the Year 12 Leadership Team entails were outlined by Mr John Munro and Ms Samantha Sissons. Nominations for the pivotal roles of male and female College Captain, 2015 have closed. Next week, the Year 11’s and the staff will each have opportunities to listen to presentations to be given by the successful nominees. It is always very uplifting to hear our students speak of their pride in the College and what the College has offered them on their personal learning journey, as well as, the commitment they are prepared to make in the ensuing year. The College Captains elect will be announced at the close of day on Friday 12th September. Thus next week is our very big election but there are still 18 other captaincy positions to be filled and this process will begin in the last week of this term and be completed on the 10th October when the 2015 Year 12 College Leadership Team is announced. While I wish the candidates all the best in their nominations for College Captain, I also urge those candidates who are unsuccessful, to further nominate for one of the other College Leadership positions. I also urge all of Year 11 to think hard about a leadership position.

**Parent/Teacher/Student Conferences:**

It was great to see parents with their child attending the Parent/Teacher/Student Conferences yesterday. The Conferences are an opportunity to meet their child's teachers to discuss the areas where their child is performing well in and also to look at areas for improvement. I know that the feedback I received was that parents were very pleased with the feedback they were hearing from their child's teachers. For students in the senior part of the College in particular, it gives both parents and students the opportunity to discuss what strategies need to be put in place to improve their overall academic performance. For our Year 12 students it is the last Parent/Teacher/Student conference for them and was extremely important considering they only have less than five school weeks of formal schooling before they leave to study for their upcoming VCE Exams which begin on the 29th October.

If you were unable to attend the Parent/Teacher/Student conferences and would like to know how your child is progressing please do not hesitate to ring the College and speak to your child’s teachers or email the teachers via Compass to receive feedback.

**Social Justice Group:**

Our Social Justice group, again as they always do, were selling cakes and biscuits to keep parents, students and teachers satisfied throughout the Parent/Teacher/Student Conferences. Well done to this group of dedicated students who go about their role in the College in a quiet and efficient manner. I know all those who indulge in their stall are always very thankful for their efforts. Well done Social Justice Group.
Kwong Lee Dow Young Scholars Program (KLDYS):

Applications for the Kwong Lee Dow Young Scholars Program opened on Monday 1 September and Year 10 Viewbank College students can nominate for this program.

The Kwong Lee Dow Young Scholars Program offers high-achieving Year 11 and 12 students the opportunity to engage with the University through a program of events and activities at our Parkville campus. Schools can nominate up to five outstanding Year 10 students who will commence Year 11 in 2015 to become Kwong Lee Dow Young Scholars. The University aims to select at least one student from every secondary school in Victoria that participates in the program to a total of 700 each year. Aboriginal and Torres Strait Islander student nominations are particularly encouraged.

While in secondary school, students selected as Kwong Lee Dow Young Scholars:
- receive an approved borrower card for access to any of the University of Melbourne’s libraries;
- participate in dedicated academic enrichment events and key University events;
- meet like-minded students from diverse backgrounds through on-campus activities;
- gain access to the Young Scholars Portal and social media page so they can keep in touch.

Substantial benefits also accrue to students who ultimately enrol at the University of Melbourne following Year 12 including:
- a Commonwealth supported place into selected Melbourne undergraduate programs, conditional upon achievement of an ATAR of 95, or 90 and above if the student is from an under-represented school in the year of application to University;
- a $2,500 allowance to assist with the costs of settling in Melbourne. To be eligible a student’s home address must be interstate or within one of the Victorian Government’s designated rural councils, in the year of applying to the University; and
- a $2,500 Melbourne Global Scholarship (payable in second or third year of University study) for an international mobility program during their Melbourne undergraduate course, subject to meeting satisfactory grade point average requirements and other conditions.

Please see the Young Scholars website for more information and eligibility criteria. [www.futurestudents.unimelb.edu.au/kld](http://www.futurestudents.unimelb.edu.au/kld)

All student applications must be received by 13 October 2014 and school endorsements by 20 October 2014.

Students interested in nominating for this Program need to see Mr Duncan Pitt, our Vocational and Transitions Pathways Coordinator in the Careers office. Mr Pitt is available on a Tuesday or Thursday. All student applications need to go to Mr Duncan Pitt.
NAPLAN results:
Parents of Year 7 and 9 students will receive their NAPLAN results early next week. The NAPLAN was conducted in May this year and provides a snapshot of how a child is performing in the following areas: Reading, Writing, Spelling Grammar and Punctuation and Numeracy. The preliminary results for Viewbank College sees the students in Year 7 and 9 as a whole performing well-above the State mean in all areas and at each level. If parents would like to discuss their child’s results please don’t hesitate to contact the College.

Year 10 Public Speaking:
All Year 10 students have been busy completing their English Orals over the last two weeks. It is always a difficult decision for the Year 10 English teachers to decide on the two top placegetters in their class, who then get the opportunity to be in the Year 10 Public Speaking final. The Year 10 Public Speaking final will take place next Tuesday in the Library and I wish all those involved the best of luck.

Young Ambassador’s Program – Shrine of Remembrance:
Congratulations to Alexander Offenberg of Year 9 who has been a successful candidate for the Young Ambassador Program at the Shrine of Remembrance. It is a great honour for Alexander. Victorian secondary school students are appointed as Shrine Young Ambassadors in September of each year and hold the position for a twelve month period. The Young Ambassadors participate in ceremonial and other duties throughout the year and play an important role in ensuring that the Shrine continues to be relevant to future generations of Australians. All new appointees will be invited to attend an Australian military history tour to Canberra, to explore the Australian War Memorial and the National Archives of Australia.

Joshua Bannan selected in the Victorian Metropolitan Under 15 Boys SCC 2015 team:
Congratulations to Joshua Bannan of Year 7 who was recently selected in a Victorian Metropolitan Under 15 Boys Southern Cross Challenge (SCC) 2015 team. The Southern Cross Challenge (SCC) is an initiative by Basketball Victoria in which Metropolitan and Country 13 and 14 year old athletes compete in a round robin basketball tournament. The inaugural tournament was held in 2012 and is becoming more successful each year, with teams for 2015 coming from ACT, NSW Metro, SA Metro and Country and WA Metro & Country. The 2015 tournament will be held at the State Basketball Centre in Wantirna South from Friday 16th – Monday 19th January 2015. It is wonderful for Josh to have the opportunity to work with some of the best Victorian coaches and play with athletes from around Australia.

Chess Club News:
Yesterday we had 12 students from Year 7 to 10 compete in the interschool Chess Tournament at the Australian International Academy in Coburg North. Our students represented the College with great pride and won! The next stage for our students is the Chess State finals.

Reach Workshops:
All Year 8 students will be involved in the Reach Foundation Workshops as a follow up from their Heads Up week in term 2 this year. The Reach Foundation was founded by the late Jim Stynes and has provided young people with a safe and non-judgemental space where young people are able to express themselves and connect with others. The Workshops will occur on the 15th September.

- Units 3 & 4 Navigator Assembly Friday September 12.
- College Captains announced Friday September 12.
- Nominations open for all other Student Leadership positions Monday September 15.

Year 12
It’s hard to believe but there are only twenty-two school days left until the end of the Year 12 school year! Most students are working hard to ensure they are making the most of these last weeks and taking advantage of opportunities in and out of class to consolidate their learning and refine skills. Although there is so much to look forward to, this can also be a difficult time, dealing with the anxiety of the impending exams. It’s a time when motivation can fade and the desire to keep going diminishes. Staff are working hard to keep students motivated and on track.

There are many levels of excellent support at the College and Yr 12 students are encouraged to speak to their teachers, Mr Munro, Ms Allan and Mr Bettiol, Mrs Williams (VCE Coordinator), Welfare Counsellors, Mrs Robertson (Mentor), Careers Counsellors and myself; we are all available to support and help students build their focus for the remainder of the year.

VTAC Preferences
In the meantime, Year 12 students have been asked to book a 15 minute interview time between now and September 18 with either Mr Pitt or Mrs Vafeas-Walsham to review and confirm their VTAC preferences. Students have been informed about the importance of carefully choosing their preferences and this interview provides another opportunity to resolve any issues or have any queries answered.

Parents and students are encouraged to contact Mr Pitt, the Careers Counsellor, on 8458 2816, if extra assistance is required.

Year 11
This is an exciting time for the Yr 11 cohort as they transition to becoming the leaders of the College. Nominations for the two College Captain positions began this week in an assembly on Monday. Mr Munro took the students through the nomination, application and interview processes and from the buzz of excitement, it seems that many students are keen to throw their names into the ring. It needs to be recognised that it is a competitive process and some very good students who are held in very high esteem by students and staff alike, may miss out on the two College Captain positions. Students are therefore encouraged to take advantage of the other eighteen leadership opportunities on offer. Applications for these positions close at 3:10 pm on Thursday September 18.

Year 10
With the creation of the 2015 timetable, some Year 10 students have found that they do not have a full allotment of subjects due to timetable restrictions. Ms Thatcher has been busy counselling these students in order to provide them with a course that still fulfils their current and future needs. Parents and students are encouraged to contact Ms Thatcher on 9091 3871 or Mr Pitt, the Careers Counsellor, on 8458 2816, if extra assistance is required.

Principals Day

Today at morning briefing we celebrated Principals Day to acknowledge the valuable work provided by the Principal Class of Viewbank College. The leadership of Principals and Assistant Principals ensure our College is a vibrant and stimulating place to learn.

Our College Captains, Claire and Oskar presented our Principal Class with a certificate and chocolates. Unfortunately Mr Munro was absent today but will receive his on Monday.

Lost Property     Lost Property     Lost Property     Lost Property

The General Office has a box of lost property - glasses, USB’s, keys, jewellery, Miki cards, calculators, wallets and items of clothing. If you are missing any items, please come and have a look - it may be here!

All lost property clothing not claimed by the last day of term (19th September) will be donated to our 2nd hand uniform shop.
Year 9 Duke of Edinburgh

Year 9 Duke of Edinburgh – At Your Service
Duke of Ed. students from Year 9 have spent Friday afternoons of this term in the service of the local community. On August 29, I visited Viewbank House, a retirement facility, where Amy Gagnon and Bridget Kennedy visit to make sure the elderly “are not lonely.” The girls said they wanted a “unique experience” and aim to help the elderly who can be “isolated and alienated.” Amy had been busy applying nail polish and chatting to residents when I arrived; she listened with such patience and genuine compassion to tales from times gone by (often many times over) – it was a delight to see. The girls from Viewbank College often join in with activities and games, to the relief of busy staff, and always enjoy serving afternoon tea.

Lachlan Williams and Matthew McGregor spend their Friday afternoons at Rosanna Golf Links Primary School along with Katrina Bruch and Charli Tyler. While the girls are busy organising sports games for the Prep classes, Matthew and Lachlan play basketball with the children and then tutor Mathematics during class time. Eventually, the boys will teach a set of 5 classes on ‘Measurement’ for their project. Matthew is realistic in his assessment of the challenges and said, “the hardest thing is keeping the kids listening” while the best thing about the placement is “making friends.”

Year 8 News

Mt Buller Day trips on the 20th and 21st August.
After a prompt 6am departure, we set off to the mountains with a forecast of cloud and sunshine. We ascended Mt Buller and caught the shuttle bus to the ski rental shop where students were fitted out with either a snow board or set of skis and poles.

With 15 minutes to spare students made the most of chucking a few snowballs at each other before meeting their Ski or Snowboard Instructor for their lesson. The Instructors taught the basics of using ski/board bindings and how to ride a lift safely, before setting off down the mountain.

We had a quick lunch in the ABOM restaurant before hitting the slopes in the afternoon with the teachers and their groups of friends. There was an abundance of smiling faces throughout the day, however the fun came to an end just before the lifts closed. We met back at the village rentals, dropped off all of the equipment, ate some healthy donuts and had a quick photo shoot before descending the mountain. With a quick dinner stop in Yea on the way home, we turned off the bus lights thinking that the teachers could finally have a sleep. This was not the case as the excitement still filled the buses right up until the Viewbank College car park.

Diversity Day – Report

On Friday 29th August the Viewbank College SRC had a casual dress day (wear purple) to celebrate ‘Diversity Day’!

Canteen staff get into the purple spirit

Emily Dao and Ruth Perkins prepare the amazing Vietnamese Beef Noodles

Paul Kascamanidis and Ethan Francis sing ‘I’m Yours’ on the J-Block stage

SRC Captains helping prepare the Japanese Pancakes

Francis Wilson and Emily Mao selling noodles

Staff from the Banyule Youth Services spread the Purple Day message by giving out info and Rainbow Sourstraps!

Festival atmosphere in the J-Block courtyard

The SRC managed to raise over $1000 that was split between the State Relief Fund and the Year 7 Shade Sail project. It was fantastic to see so many students wearing purple to celebrate diversity.

As well as Ethan and Paul’s fantastic performance we also had Anastasia Grekos singing two songs with Sol Summers backing up on the piano. There were prizes for the best dressed (well done Viewbank Primary boys!) and an amazing amount of international food available.

The Social Justice committee had a huge range of cakes from around the world that made a great desert after the Japanese Pancakes and Skewers and Vietnamese Noodles.

A big thank you to Ruth Perkins, Mike Matthews and the rest of the Food Technology team for all their help. Also Tom Krieg and the sound team, the SRC student leaders and everyone else participated and helped out on the day.

Science Week @VBC 2014

This week Viewbank College celebrated Science Week. The week started with a re-creation of the periodic table of elements using cupcakes. Students and staff signed up for an element during the previous week then brought their decorated cupcake to school on Monday morning. During lunch-time, the periodic table was assembled in the J-block courtyard. After photographs were taken, students were able to eat their own cupcake. During Thursday lunch-time, the science department held a paper plane competition, with approximately 30 students participating. The paper planes were assessed for distance and accuracy. Cooper Owen (10E) had the best distance, while Katie Ji (7G) had the best accuracy by flying her paper plane through the basketball hoop 5 times – WOW!

Friday lunchtime saw the return of the Periodic Table Reciting competition. Two students recited all 118 elements of the periodic table. Ryan Gagnon (10E) completed in 1 minute 12 seconds, while Dong Dam (12F) completed in 1 minute 57 seconds. Christian Popovic (9C) recited up to element 42, Molybdenum, while Bridget Chan (7G) sang her way Krypton, following the updated periodic table song by ASEP Science. All participants did extremely well to contend with the music and activities coming from the Diversity Day activities occurring outside the room. The science staff were impressed with all the participants efforts.

History News - Competitions
In addition to the two competitions mentioned in a recent newsletter, details of another competition have been forwarded to the College.

Living Spirit Fellowship
This is the ‘Living Spirit’ Fellowship, awarded annually by the Greensborough RSL Sub-Branch. These fellowships were established to ‘nurture younger generations to understand the part played by many Australians in ensuring the great freedom we enjoy today is never forgotten.’

Students are required to make a submission in accordance with an Application form and are asked to state what their expectations are regarding a visit to Hellfire Pass and what message they would bring back to the community. This is an amazing opportunity for students to take up. The Fellowship provides airfares, accommodation and organised tour to Thailand for ANZAC Day 2015 for the successful student and his/her parent.

Application forms are now available. Students should see Mrs. Jones in the A block staffroom if they are interested. This fellowship is open to students in years 10, 11 and 12. The closing date for all submissions is Friday 24th October.

A reminder of the other two competitions:

Premier’s Spirit of Anzac Competition
The Premier’s Spirit of Anzac Prize inspires young people to explore the ethos displayed by the Anzacs at Gallipoli and the Western Front and reflect on how those values apply in Victorian communities today. The Prize is open to students in year 9 and 10 at all Victorian secondary schools. Through the competition 12 students from across Victoria will travel on an overseas study tour to Gallipoli and the Western Front.

Students are required to respond to a question about the ANZAC centenary and can enter research essays, artworks, musical compositions or audio, video or web-based presentations. Entries must be received by Friday 17th October, 2014.

All students in year 9 and 10 are encouraged to think about participating in this competition.
See www.veterans.vic.gov.au for more information.

Anzac Day Dawn Service Tour
See www.anzaccentenary.vic.gov.au for information on how to apply.

Students interested in applying for any or all of these tours should see Mrs. Jones in the A block staff room.
