Principal’s Report

Welcome to Term 4:
To students, parents and staff, welcome back to Term 4. This is a term where the expectation is that students consolidate the year’s learning and prepare for final assessments. This is the first year, where the College will begin the new scholastic year and timetable on November 24th. Currently, there is much behind the scene preparations for this early start up to 2015 with subject blockings for VCE and electives in Years 10 and 9 being finalised. In creating viable subject blockings based on the majority of student choice, there are always some subjects that will not run or inevitably there will be a number of subject clashes but currently, these are being ironed out. Always we work with the view of keeping elective clashes to the lowest possible number. Students who have selected a subject that is not running in 2015, will be given one of their alternative choices. Where students are affected by clashes, they will be counselled and given every support to find alternative subjects.
Year 12s:
Our Year 12s are now completing their final SACs as part of their preparation for the exams. On Monday, we will hold an assembly to outline their last week and a half in the College. It is important for them to maintain their focus. Much is to be achieved in this last week and a half of school and during their study week prior to the commencement of the exams. From experience, we know that if students use this final lead up time to the exams profitably by doing practice essays and exams and staying in contact with their teachers, they can lift further. Given that the exam performance can modify all internal SAC results, then there is much to be gained from thorough preparations for the exams which begin on Wednesday 29th October.

At this time of the year, the matter of safety and security in the week of the Year 12s departure, is at the forefront of our planning. Our College along with Greensborough, Bundoora, Macleod and Montmorency Colleges have an agreement that if any student is found on the premises after hours with the intent to cause damage or mischief then the police will be involved, the people involved may be charged with trespass and they will most certainly be sitting exams in another setting. While we do not envisage that any of our Year 12s would engage in anti-social behaviour, they and parents need to understand that they must not engage in dangerous or anti-social behaviour here or at another College.

Year 12 parents will receive notification conveying the College focus on security during the final week and possible consequences for any breaches. The College, as we do every year, employs overnight security guards to ensure that nothing untoward happens.

Arrangements for Year 12’s last day - Wednesday 22nd October:
The Final College Assembly for 2014 will take place on Wednesday, 22nd October at 11.15am and after the conclusion of the assembly at approximately 12.30pm, all Year 7 to Year 11 students will be dismissed from the College. The assembly is a dignified farewell to the Year 12s and we warmly invite any Year 12 parents who wish to attend to notify the General Office 9458 2811 or viewbank.co@edumail.vic.gov.au so that seating can be organized. Afterwards, the College will be dismissed and the Year 12s and staff will share a bar-b-que lunch before the year 12s enjoy a bit of fun and frivolity on the oval.

Valedictory Dinner:
The Valedictory Dinner will be held on Friday 21st November at The Centre, Ivanhoe. This is a grand evening where families can share in the final farewell to our Year 12s. We are looking forward to a fun evening where VCE Certificates and awards will be presented. Booking for the Valedictory Dinner will open soon.

The Year 12s are generally very positive but over this week and a half, it will hit home, that their secondary schooling is fast coming to an end. We are watching over them during this critical period.

Election of College Captains 2015:
This week has seen the final round of elections for the Year 12 Student Leadership Team for 2015. I wish to congratulate students who nominated for leadership roles. This is an unprecedented number and is an endorsement of how students value the work of the Year 12 Student Leadership Team. It is impressive to have so many students at Year 11 being willing to step up and take on extra responsibility in their final year next year but it reflects the maturity of the Year 11 cohort and their desire to give back to the College. Again, my heartfelt thanks to all candidates and to Year 11 Leader, Ms Samantha Sissons, who has actively promoted student leadership to the Year 11s.
It is with great pleasure that I announce the Year 12 Student Leadership Team for 2015:

Congratulations to our Student Leadership Team for 2015. The Year 11s and the Teachers have chosen a wonderful team to lead the College next year. I would like to acknowledge the fine leadership displayed by this year’s team of Captains. College Captains, Claire Youren and Oskar Casasayas and their team has worked hard with Mr John Munro in organizing and running excellent whole school assemblies which showcase student achievement and activities. They have been an active group determined to engage students across the College in a large array of extra-curricular activities and they have also had fun encouraging their Year 12 peers to really enjoy this final year despite the hard work. For students across the College, the 2014 Student Leadership Team have been involved, encouraging and very positive and in every way have been great role models. Now it is their time to hand-over and help induct the 2015 Captains and both groups will meet over lunch on Friday, 17th October. A job well–done 2014 Captains!

**Gala Concert—Limited Tickets Left:**
The premier event of the Music Program is the Gala Concert which will take place this coming Monday evening at 7.30pm, at The Plenty Ranges Arts and Convention Centre, Ferres Boulevard, South Morang. Happily this is close to being a sell-out event. We know that there are some parents who have left it late but there are only a few tickets still available. If you have not booked and would like to attend please contact Ms. Lisa Provis directly on 85458 2843 but be quick as these tickets will go in a wink.

2015 - 1:1 Laptop Program
In 2015, Year 7 and 10 students will be engaged in the College 1:1 Laptop Program. The use of a laptop will be an essential component of teaching and learning at Viewbank College and all 2015 Year 7 and 10 students will join this program. Students will have unprecedented access to functions and features including eBooks, college email, COMPASS, new software, interactive learning tools and IT services. Collaboration with teachers and peers will be enhanced, and students will have the ability to thrive and think critically in an information rich world.

An email will be sent early next week to all 2015 Year 7 and 10 families with regards to options and payment.

John Munro
Assistant Principal

Dear Parents/Guardians,

The following information with regards to changes to the Education Maintenance Allowance (EMA) has been provided to me by the Department of Education and Early Childhood Development.

Changes to the Education Maintenance Allowance (EMA)

“From 1 January 2015, the government will provide extra financial support directly to Victoria’s neediest schools instead of providing the Education Maintenance Allowance directly to parents/guardians.

Parents/guardians will not be able to apply for the Education Maintenance Allowance in 2015.

The money will be allocated to eligible schools through schools’ core operational funding mechanism, with the neediest schools receiving the most funding. Not all schools will be receiving funding in 2015.

This change to how the money is distributed was required by the funding agreement with the Commonwealth government to make sure Victorian schools receive increased funding that will benefit all students and, in particular, those from schools with concentrated disadvantage.

The majority of parents who received the EMA payment already elected to provide the money directly to their school.

If you are experiencing financial hardship, you can speak to the Business Manager of your school about how you can access assistance from the State Schools’ Relief Committee for clothing and uniforms.

The end of the EMA direct payments to parents/guardians will not affect any other payment you may be receiving such as the Schoolkids Bonus, which is provided directly to eligible parents/guardians to assist with education costs.”

If you have any questions about this change, please contact either Natalie Kennan, Business Manager or Judith Craze, College Principal.

Yours sincerely

Damian Schulz
Viewbank College Council President
To enhance Viewbank College the school needs a new, larger theatre/auditorium to meet ever increasing demands. The school already has the second largest music program in the North Western region and has many varied programs on offer.

Viewbank College uses every space available to accommodate the 1142 students that currently attend the school. The reputation of the school has seen demand exceed places, with Primary schools in the area increasing in student numbers dramatically in recent years, leading to an even greater demand.

While Viewbank College currently utilises the Banyule Theatre as much as it can, moving musical equipment, busing students to the venue and organising many programs on a daily basis is not long term practicable, with students losing valuable class time.

To address this issue, the many music, drama and arts programs throughout the year (including Ensembles, Orchestra, Strings, Rock Bands, Choir and Drama Classes) are held in many non-specialised spaces at the Viewbank College main campus on Warren Road.

From 2002 until 2004 while Craig Langdon was the local state MP the college received funding for major interior renovations and a make over. The school population was then set at 1000 students. Increased demand, through other school closures, area demographic changes and the schools excellent reputation have put enormous pressure on the current facilities. The school now accommodates 1142 students.

The School Council has a vision for the future and needs the assistance of residents to achieve this result. The Vision is:

Create a Music/Drama facility of excellence to enhance and grow existing programs with flexibility for exams, information sessions, assemblies, gallery and display areas for visual arts and technology. It would comprise a 310 seat state of the art theatre, consolidating the school onto one campus and greatly enhancing the schools capacity to educate our children.

The new facility would also house a new administration area with improved staff amenities. The existing Admin/Staff area would be converted to a dedicated music department.

If Banyule Theatre ever becomes available the City of Banyule would consider purchasing the site as an Arts, Theatre and Community hub. The last thing the council would want is the see the site abandoned and vandalised like Banksia College.

We need your help to make this happen and we need residents to come on board to “Make a Difference”. Banyule Council would need a firm commitment from both the Government and Opposition that the existing Banyule Theatre is maintained in good condition until any possible purchase by the Council.

The last thing Council and the public would want is mass vandalism and arson which occurred at the Banksia College Theatre and Basketball Courts (estimated at $5m to repair). Locking glass doors and turning off the power is not securing the property. The best security is for the Theatre to remain in use.

Debating News

There was a large turn-out for the annual Great Debate held at the end of Term 3. The topic was that “teaching is the best profession”, with the student team consisting of myself, Lani Sellers and Nicole Scully, arguing the affirmative. On the negative side was the teacher’s team, which included Miss Varrasso, Miss Olsen and Mr Henning. It was an amusing, light-hearted way to conclude the debating season and both sides put across valid points, yet ultimately the teachers won by a point or two. A special thanks to the adjudicators, Mr Elmore and Marie Trevithick for their time.

History News - Competitions
In addition to the two competitions mentioned in a recent newsletter, details of another competition have been forwarded to the College.

Living Spirit Fellowship
This is the ‘Living Spirit’ Fellowship, awarded annually by the Greensborough RSL Sub-Branch. These fellowships were established to ‘nurture younger generations to understand the part played by many Australians in ensuring the great freedom we enjoy today is never forgotten.’

Students are required to make a submission in accordance with an Application form and are asked to state what their expectations are regarding a visit to Hellfire Pass and what message they would bring back to the community. This is an amazing opportunity for students to take up. The Fellowship provides airfares, accommodation and organised tour to Thailand for ANZAC Day 2015 for the successful student and his/her parent.

Application forms are now available. Students should see Mrs. Jones in the A block staffroom if they are interested. This fellowship is open to students in years 10, 11 and 12. The closing date for all submissions is Friday 24th October.

A reminder of the other two competitions:

Premier’s Spirit of Anzac Competition
The Premier’s Spirit of Anzac Prize inspires young people to explore the ethos displayed by the Anzacs at Gallipoli and the Western Front and reflect on how those values apply in Victorian communities today. The Prize is open to students in year 9 and 10 at all Victorian secondary schools. Through the competition 12 students from across Victoria will travel on an overseas study tour to Gallipoli and the Western Front.

Students are required to respond to a question about the ANZAC centenary and can enter research essays, artworks, musical compositions or audio, video or web-based presentations. Entries must be received by Friday 17th October, 2014. All students in year 9 and 10 are encouraged to think about participating in this competition. See www.veterans.vic.gov.au for more information.

Anzac Day Dawn Service Tour
See www.anzaccentenary.vic.gov.au for information on how to apply.

Students interested in applying for any or all of these tours should see Mrs. Jones in the A block staff room.
