**Principal Report**

**Arrangements for Next Wednesday, 21st October:**

The 21st October is our Year 12s final day and traditionally, we have organized the day around a celebration for the Year 12s; recognising that they are on the threshold of leaving after six years. Their Final Assembly will begin just after 11.00am and after the conclusion of the assembly at approximately 12.15pm, students from Years 7 to 11 will be dismissed. The Year 12s will enjoy a bar-b-que lunch with all members of staff before they have the opportunity to let off a bit of steam on the oval with a jumping castle and waterslide. Their day will conclude at 3.00pm.

The expectations during this transition period for Year 12 students have been clearly outlined to students. In addition, all Year 12s will be emailed the Trespass Policy which is implemented once Year 12s depart the College next Wednesday. For security and safety reasons, it is important that every Year 12 student and their parents have an understanding that Viewbank College has an agreement with Charles La Trobe College, Greensborough Secondary College, Macleod College and Montmorency Secondary College that Year 12 students are not permitted on any College properties without good reason. Students who disregard this agreement, will be charged under the Trespass Act and that police will be called on to deal with them. Further to being
charged, any student may face having to sit their exams in another setting. I have to firmly advise that this is not an idle threat and Viewbank College employs security personnel over this period.

I understand that this seems such a negative message to convey. However this is about ensuring public safety and the security of Government property. We would hope that our students would never engage in anti-social acts at the College or in other Colleges but it is important that the ground rules are in place for any such contingency.

Of course we recognize that students will need to come in and out of the College to consult with teachers during their study days and in fact, we expect that there will be lots of Years 12s in and out, having practice papers marked by their teachers. I need to emphasise, that they are only permitted to be at the College for appointments with their teachers or class revision arrangements. If a student has another reason to be at the College, then they need to ask permission from Mr John Munro, Ms Allan or myself.

**Valedictory Dinner:**
The Valedictory Dinner which will take place on Thursday, 19th November at The Centre Ivanhoe from 7pm (for a 7.30pm start). Please be aware that at this stage, due to high demand, we can only allocate four tickets per student. Bookings for the Valedictory are now open on Trybooking. For bookings, click on the following link [http://www.trybooking.com/164651](http://www.trybooking.com/164651) The cost is $100.00.

We hope to see as many families as possible, supporting their Year 12 student and celebrating with us their six years of learning.

**Jazz Evening:**
This coming Monday, at the Watsonia RSL, the Annual Jazz Evening will kick off at 7pm. This is a great night for jazz enthusiasts who want to see what jazz talent we have amongst our music students. This is a special night because our instrumental teachers who are professional musicians in their own right, perform alongside students and also team up for some exciting Music Team pieces. If you love jazz then there may be some tickets still available. Contact Lisa Provis, Music Secretary on 8458 2843 or email lprovis@viewbank.vic.edu.au

**German Exchange:**
Yesterday, it was a pleasure to enjoy lunch with the German Exchange students and their teacher, their Viewbank College host students and the LOTE Domain Teachers. The German Exchange arrived during the holiday period and will depart on Monday 26th October. Currently, we have 7 young teenagers and their teacher, Ms Brie Kawalek, who is in fact an American teacher working in Germany.

In Germany there are no school uniforms so for these students it has been a novelty getting used to being in uniform on the days when they are here at the College. They have been busy touring the Great Ocean Road and taking surfing lessons as well as lots of activity in and around Melbourne. Their four weeks will go very quickly but we hope that they have some wonderful memories to take back with them. We hope that from this exchange there are enduring friendships between the visitors and their host families.
Parent Survey 2015:

I wish to thank those parents who responded to the Parent Survey which is randomly sent out by DET each year. This year’s respondents gave generally heartening feedback to the College. The brown bars represent the College and the dot represents the Mean of Like Schools. In every factor we were on or above Like Schools. The ratings for parents were from 1 – ‘Strongly Disagree’ through to 7 – ‘Strongly Agree’. Every score was on or above 5 except for the factor ‘Homework’. These surveys help inform College focus for improvement and once again, I wish to thank the parents who responded.

Emmet Brasier, a champion on and off the track:

A big congratulations to Emmet Brasier (Year 11), who was invited by Jenny Macklin, the Federal Member of Jaga Jaga, to host her Annual Jaga Jaga Community Sports Awards, held on the 1st of October, at The Centre Ivanhoe. Emmet, who competes at National level in the track and field event of walking, proved himself to be an excellent host. I have received great reports of Emmet’s ability to manage clear pronunciation of all the recipients’ names, his great sense of timing, his wit and indeed, his self-deprecating humour. Emmet’s delivery was polished and engaging thus was very well received by the participants and their supporters. Jenny’s staffer, Anthony Kenny, said of Emmet that he was a credit to himself, family and a great ambassador for the College. We are thrilled for Emmet and know that he has lots to offer. Emmet was recently elected to the new leadership position of Sport Captain in 2016.

**Year 12**
Next week marks the culmination of six years of secondary schooling for our Year 12 students. It is an exciting time as they embark on the next phase in their lives. To help support them, a ‘final days’ assembly was held last week to ensure that students are well informed of the expectations we have of them over their final formal days at the College.

Mrs Judith Craze spoke to the students about the importance of utilising their final days well, working productively during ‘swot vac’ and taking advantage of the resource of their highly knowledgeable teaching staff.

Plans for the last three days were outlined and are as follows:

- Monday October 19th is ‘Goodbye Uniform Day’
- Tuesday October 20th is ‘Dress-Up Day’- students are reminded of the need to dress ‘appropriately’ on both days. Masks/face coverings, paint, beard, etc. are NOT PERMITTED. Students dressing inappropriately will be sent home.
- Wednesday 21st - a casual awards presentation in the morning, followed by the formal Farewell General Assembly. Students are expected to be in complete, formal College uniform the assembly. A BBQ lunch will follow the assembly before the games’ begin on the oval.

Parents are invited to attend the assembly which will be held in the Gymnasium beginning at 11:15 am. Please notify the Office on 9458 2811 so that seating can be organised.

Mr John Munro informed the students, as required by law, of the Trespass and Summary Offences Act. Year 12 students are not permitted on the College premises, outside of College hours, during the days before and after their final formal classes. Security guards will be on the College premises at these times. Students are, of course, encouraged to attend within College hours to consult with their teachers and use the study facilities available. Parents should have received a copy of this information today via Compass.

Students are expected to celebrate their final days at the College in a manner that is safe, dignified and acknowledges the contribution that the College has made to their lives. Students are also reminded to re-familiarise themselves with the Navigator booklet e.g. exam conditions, what’s permitted into the exam room and what is not, exam timetable and VCAA student numbers.

We strongly encourage students to seek assistance from their teachers during what can be a very demanding time. Please note that teachers should be available during normal Year 12 class times. However, a phone call, or email prior to confirm a meeting time, is recommended.

We are working to ensure the final few days are fun and safe, with good memories for all. Whilst we don’t anticipate trouble, we do ask the students, in their final three days, to be mindful of the College Policies relating to behaviour, attendance and uniform and celebrations should reflect these. Any breaches will receive appropriate consequences.

For your convenience, a copy of the exam timetable is on the next page. Alternatively, you can visit [www.vcaa.vic.edu.au](http://www.vcaa.vic.edu.au) for more information.

**Valedictory Dinner**
*Thursday November 19 – The Centre Ivanhoe.* Families are invited to share in the final farewell to our Yr 12s and to celebrate their achievements. Tickets can be purchased via the Trybooking website, [http://www.trybooking.com/164651](http://www.trybooking.com/164651).

Mrs Di Allan sent an email on Tuesday Oct. 14 to all Yr 12 parents regarding details of the Valedictory Dinner.

**Units 3 & 4 Exams**
We wish all of our Year 12 students, and those students undertaking a Units 3/4 subject, the very best for the study period in preparation for their final exams, beginning with English and EAL on Wednesday October 28. Already, exams have begun for students who are studying a subject that has a performance or oral component such as languages, dance, drama, theatre studies and music.

**Years 10 and 11**
Students in these year levels have begun their Course Counselling sessions this week. During the interview, students will receive their subjects and parent payments (if applicable) for 2016. Course Confirmation will take place Friday Nov. 20.

YEAR 8 SCIENCE & YEAR 9 SCIENCE TEXTBOOK BUYBACK

$20 $25

The Science Domain is buying back a limited number of Science textbooks from students at the end of the 2015 academic year. We are offering to buy back Pearson Science 8 textbooks for $20 and Pearson Science 9 textbooks for $25.

Please note that the second hand market for Year 8 textbooks in 2016 will be extremely limited, as Science textbooks are not book-listed for Year 8 students in 2016.

To take up this offer, students need to show their textbooks (in good condition) to Mr Patterson in the G-block staffroom to have their name added to the ‘buy back list’. Textbook buybacks are limited in number and students should be prompt.

At the end of the 2015 academic year, students will bring their textbooks and exchange them for vouchers, authorising money transfers to nominated bank accounts.
