Principal’s Report

College Council Elections 2014:
Your Vote Counts! Democracy is alive and well at Viewbank!
This Tuesday, 11th March, parents and guardians will receive in
the mail, a ballot sheet for the election of College Councillors.
We have nine parents who are happy to join council and we are
thrilled with their interest. The College thanks each person that
has been willing to nominate. Many schools have to do a ring
around to try to get parent interest so we are delighted that we
have such a robust community that shares the vision of creating
opportunities to learn in the best possible environment for our
students.

Tight Turn Around:
This coming Tuesday, parents and guardians will receive the
following: a ballot sheet, a return envelope and the statements
from the nominees. We need you to fill out the voting slip
according to instructions and follow the instructions for placing
it in the envelopes supplied. Your vote needs to be returned to
the red ballot box at the General Office, by 4pm on Friday,
14th March. This is a tight turn around. However, we ask that
you drop off your vote or have your child drop it in. We are
anticipating a substantial return of votes.
Results:
Votes will be counted by an independent scrutineer on Tuesday, 18th March. All candidates will be notified by Wednesday, 19th March as to the outcome and the results will be published in the Newsletter on Friday 21st March.

Notice of Annual General Meeting:
The AGM for the College Council will take place on Wednesday, 26th March and all members of the community are welcome to attend. At the close of that meeting, we will farewell our retiring councillors and shortly after, we will hold a brief meeting of the new council to elect office bearers for 2014-16.

We wish all candidates every success. However there are six places on Council so three will be disappointed. I urge candidates who are unsuccessful this year, to nominate in future years. It is important to have this level of parent energy and interest. It is so very valued.

Year 7 Welcome Evening:
Last night, the Library was completely full for the Year 7 Parent Welcoming Evening. We thank parents for their involvement. The Year 7 Well-Being Level Leader, Ms Amanda Watson and Assistant, Mrs Naomi Hart gave lots of feedback about how well the Year 7s have settled in and how successful the Peer Support Program, where Year 10 Leaders work with the Year 7s, has been to date. They explained what is still to come in Term 1 and gave information about the Year 7 Camp, in Week 2, Term 2. Middle Years Leader, Ms Kate Butler spoke of the up-coming Parent/Student/Teacher Conferences and the Interim Reports which will shortly be available on Compass. She also gave an overview of Year 7 in its entirety. Compass Manager, Chris Dunn, gave parents a demonstration of what they could access on Compass and how to utilise this communication system to maximum advantage. He showed parents how to access Interim Reports and how to make bookings online for the conferences.

While there was much information sharing, it was a lively and entertaining evening as parents and students were treated to presentations from the Viewbank College Health and Well-Being Leader, Darren Murray and the Health and Well-Being Captain, Jack Kirkland; the Friends of Viewbank; Friends of Music and Friends of the Performing and Visual Arts. Our parent representatives love a little good natured rivalry in their competition for new members but it is very good natured as at the end of the day, they all work in together to support programs in the College. There is a whole lot of fun and sharing as well as some low level fund-raising. Thank you to: Catherine Woolliams, Sue Mooney and Helen Stephens from Friends of Viewbank; Dafni Toulet and Marion Tsaparis from Friends of Music and Gabriella Favretto and Jan Wilson from Friends of the Performing and Visual Arts, for their good natured and very entertaining presentations. Year 7 parents/guardians, we hope you can join a group and as our parents said, the commitment is what you make of it. After the presentations, parents and guardians had an opportunity to meet their child’s Home Group teacher and meet other parents and we are delighted with all the positive comments from parents. It affirms what we are seeing, that the Year 7’s are happy and have settled in well.

Student / Parent/ Teacher Conferences in TERM 1:
Last year, after consultation with parents, it was agreed that Student /Parent /Teacher Conferences needed to be changed from Term 2 to the end Term 1 so that there could be plenty of time for students to work on the feedback given and for it to be early enough, for parents to know the standards and the expectations. These conferences are now not far away and I need for parents to set aside time in their busy schedules. For students with surnames A-K, their conferences will take place on Thursday, 27th March and for L-Z, on Tuesday, 1st April. The conferences will begin at 1.30pm and the afternoon session concludes at 5pm sharp for the teachers to have dinner. The evening session will begin at 6pm and conclude at 8.30pm. Viewbank College Compass Manager, Mr Chris Dunn, will open bookings for parents on the 13th of March. It is a case of get in quick, to avoid disappointment, as spots in the teachers’ appointment sheets fill up fast.

The duration of each appointment is a tight 5 minutes. For any extended discussion, parents are encouraged to contact the specific teacher by email or if necessary, arrange a mutually agreed time for a longer appointment. I ask that all parents and teachers observe the 5 minute time as a courtesy to other parents who will be waiting. Given that there is sometimes a lengthy walk between interview venues, please allow a five minute break between your appointments so that you are not rushing.
Students are required to attend interviews in uniform but will not be required at school during the two days of conferences. I have asked teachers to set work for the two days so that students are gainfully occupied while the conferences take place.

College Review:
I would like to commend to you the Review Report which will go on to the College website by the end of next week. It is a fine testimony to the work of the College over the past four years, in the provision of quality educational experiences for students. The Reviewer’s recommendations for future targets and goals for the new Strategic Plan, were very much the outcome of last year’s self-evaluation process conducted by teachers and the ‘Focus on Future Directions Evening’ where parents and students joined with staff to give valuable feedback. Assistant Principal, Maree Gaffney and I have been working on the draft of the Strategic Plan and Annual Implementation Plan that will be presented at the Strategic Planning and Review Sub-Committee of College Council, on Wednesday, 19th March. As soon as Council has approved the Strategic Plan and 2014 AIP, they will be posted on the College Website. The Strategic Plan will govern our work for the next four years. It positions us as a College to feel energised by the new challenges that we will strive to deliver. It is exciting work which will enhance our purpose towards providing relevant, rich teaching and learning that hopefully, will translate into improved student outcomes. The positive thing is that the biggest challenges ahead for us, build on the work already begun in the areas of curriculum. This has priority status. Over the next two weeks, Domain Leaders, the Assistant Principals and I will be going out of the College to examine Year 10 Programs in other settings so that we can review the Year 10 program and look to initiate improvements for implementation in 2015.

Computers and Phones:
Currently the College is experiencing some difficulties with our network as a result from upgrade work being carried out at the College and also, there are external Edumail issues. It is frustrating for all but the target is for the internal upgrade to be completed by the beginning of Term 2. From that point on, we need to be in the position to plan for the introduction of a 1:1 program for the introduction of student personal devices from 2015.

The ICT sub-committee of College Council will oversee the introduction of this implementation and we want to create a very stable network to provide quality standards and support for students to have their own devices. The decision-making will involve policy, process, types of devices, PL for staff and of importance, what software is available to replace expensive booklist items. It must be our objective for 2015, to reduce booklist costs as much as possible. There are many decisions to be made but this is a target of the Strategic Plan and if we get it right from the outset, then it will be a positive for all students.

Phones:
Our phone system is also creating difficulties related to the network problems. We have had technicians working on the phones and evaluating the most cost effective and best possible way to go forward. The system is overloaded and there is no point in band-aid solutions. We need to purchase a new system which we are resourcing. I am only too aware that this has been a source of further frustration, both to parents and to staff. Again, it is a case of get it right rather than go for a quick-fix so please be patient. If you wish to communicate with staff at the College, both phone and email contact would be a good idea.

VCE Information Evening:
Next week the Senior School Team will host a VCE Information Evening for parents of Year 12 students or Year 11 students who are undertaking a Unit 3 and 4 study. The stringent rules governing VCE are important for parents to understand from the outset and they will be unpacked for parents. The Elevate organization who we employ to deliver the Study Skills Program at all levels, will give a presentation specifically on the most effective strategies for strong outcomes and how parents can best support VCE students. For VCE parents and guardians, this evening is a must. We look forward to meeting with you.

VCE Exams:
As a part of the Strategic Plan and the AIP, the College will implement rigorous Unit 3 exams to give students in VCE the opportunity to experience the formal exam environment and exams that really test them. Strategically, the College is resourcing this examine period by paying for independent exam supervisors, as VCAA no longer fund external exams and this has been to the detriment of our students’ focus in the recent past. The exams will be reported on in the June report cycle. The dates of Friday, 23rd of May through to Friday 30th of May will be the exam week.
Swimming Sports:
Sixteen buses took students to the Boroondara Sports Complex in Balwyn on Tuesday, 4th March, for the Swimming Carnival. It was such a positive day out for all the College. The weather was perfect for a swim and most of our students made the most of it. Members of staff, who competed in the three staff relay teams, did some spectacular swimming and the students loved it. The Dive Bomb, the Bocce and Water Polo competitions complimented the serious swimming. Students who had breaks in their swim programs or those who were not competing in the swim events, had fun earning points for their Houses in these fun events. Fashion on the field was huge. Colour, imagination, creativity were highly evident. Congratulations to the winners, the Year 12 girls: Belinda Dennis, Kate Indian and Amy Spencer who spent hours making paper maché dory fish heads and tails. The behaviour of our students was excellent and the teachers were all so praiseworthy of how the students conducted themselves. It was a happy day. Thank you particularly to Mark Eagling and the set up team and John Munro for his work behind the scenes, in making this such a great day for the College.

House Results:
With a strong winning total of 1624 points, it is a pleasure to congratulate all the students of Ignis (Red) House. Hydra (Blue) House with 1315 points, came in second and were very competitive. Stella (Gold) House came in Third, with 1129 points and Terra (Green) House took out the wooden spoon, with 770 points. The Athletics Carnival on Thursday 20th March, at Doncaster, will be a hotly contested day. Last year Ignis won the day, so it is up to the other Houses to really try to stop them taking both House Trophies this year. Terra House students need to really get behind their Captains. Well done Ignis! Well done all participants.

Assistant Principal Report

FOV - Friends of Viewbank
Friends of Viewbank is a parent group that meets once a month on a Tuesday evening with Assistant Principal, Mrs Maree Gaffney and acts as a parent forum to discuss issues and current trends relating to the College. Our role is to support the school any way we can. We help out with the catering for the LOTE theatre evening and the College Production.
We also raise funds for the College though a series of fundraising activities. This year we are currently running a bulb drive fundraiser and planning to raise funds through a pie drive in term 2 and selling the Greater Melbourne Entertainment books.
Suggestions of other fundraising activities are always welcomed.
The monthly meetings are held in the staff room at the college and are very informal and relaxed. New members are always warmly welcomed. Supper is provided.
For any enquiries please contact Mrs Maree Gaffney at the college 9458 2811 or email Gaffney.maree.e@edumail.vic.gov.au
Our next meeting is this Tuesday 11th March, at 7.30pm in the staffroom in the General Office building.

Fundraiser – after a long hot summer brighten up your garden with a variety of flowering bulbs
After the hot and dry summer we have had it is time to bring some colour back to our gardens. Friends of Viewbank are having a “bulbs” fundraiser. So place your order for daffodils, freesias, tulips, blue bells to name a few.
The fundraising catalogue from Bulbs direct fundraising is available by going to the following site http://www.bulbsdirect.com.au/Fundraising/catalogues.htm or from the General Office.
Your order with payment is to be returned to the College office by Thursday the 13th March so orders can be filled hopefully by the end of term.
There are over 30 varieties of bulbs that you can order from.
Bulbs Direct/Sticker Fun fundraising have profits that vary. Each flowering bulb variety is sold in 3 sizes.
The margin is now a flat 50% on all Bulbs Direct flowering bulbs and accessories. Sticker Fun products have a 25% profit.
Senior School News

VCE Parent Information Evening:

Years 11 and 12 parents and their students are invited to the VCE Parent Information Evening which is to be held on Wednesday March 12 in the College Library from 7:00pm. The seminar, presented by Elevate Education, will highlight ways in which parents can best support their child through the rigors of the VCE.

- How do I help motivate my child?
- How do I help my child improve their time management?
- What are reasonable expectations?
- How do I help my child deal with distractions?

College Principal Mrs Judith Craze will welcome parents and there will be a presentation from Compass Manager, Mr Chris Dunn, who will demonstrate the following:
1. Compass login
2. Viewing and approving absences
3. Accessing and viewing ‘Learning Tasks’
4. Accessing and viewing ‘Semester Reports’.

An invitation has been sent home via email to all parents of VCE students. The reply slip can be left at the General Office. We look forward to seeing you there.

Thank you,
Sue Calder

Middle School News

IT’S GOAL SETTING WEEK!
BE SMART AND START THE YEAR ON A POSITIVE NOTE

Year’s 7-9 will next week be completing their goal setting on the Compass system in LOTE classes. Parents can log in to see their child’s positive goals and realistic expectations for this semester. Review and discussion of the goals at home would certainly be beneficial and ensure all students are kept accountable. The goal setting task can be found in the reports tab. Comments from parents regarding their child’s goals are very welcome.

**Viewbank College Tours:**
Tours are led by the College’s Student Leaders, giving you the opportunity to see over the College, meet Teachers in various Learning Areas and gain an insight to the curriculum and extra-curricular activities available at the College.

Beginning at 5.30pm in the College Gymnasium
Last tour departs at 6.30pm*

*College tour times will be confirmed on our website

**Official Presentations**
College Gymnasium 7.30pm

Staff will be available for a short time in the College Library after the Official Presentations for any further questions.

---

**Enhanced Acceleration Placement Testing**

Testing for entry into the 2015 Viewbank College Enhanced Acceleration program will take place on Saturday 17th May 2014 at the College. Students will be required to sit 3 short tests to assess aptitude and ability in Mathematics, Verbal Reasoning and Literacy.

- **When:** Saturday 17th May, 2014
- **Where:** Viewbank College Library, Warren Road, Rosanna
- **Time:** 10am till 12.30pm
- **Cost:** $40 (non-refundable) plus 30 cent Trybooking fee

Applications are made via the Trybooking link [http://www.trybooking.com/EFOOQ](http://www.trybooking.com/EFOOQ) found on our website [www.viewbank.vic.edu.au](http://www.viewbank.vic.edu.au)

Applications close **Tuesday 13th May.** Late applications will not be accepted.
Food Technology News

Pancake Day
On Thursday 5th March hundreds of hot, fluffy pancakes were made and sold by some of our wonderful Year 10 Food Technology students. $165 was raised and will help young Australians in need. A big thankyou to Holly Mlikota, Emma Gannon, Alex Cotroneo, Lilin (Ashley) Peng and Sophie Spencer who did a fabulous job serving the pancakes with tremendous professionalism. It never ceases to amaze me how enthusiastic and capable our Viewbank College students are.

</tbody>
</table>

New students
All new students have been allocated their instrument/voice and lessons have commenced. There are still vacancies on some instruments. Please contact me if your son/daughter would like to enrol but hasn’t done so yet.

Viewbank College ensembles
We have sixteen different ensemble including bands, orchestras and choirs for students to get involved in at the College. Any students who are learning instruments or having singing lessons outside of school are welcome to join these groups. Enrolment forms and further information is available from the Music Office.

Second-hand instruments
If you have any instruments at home that are no longer needed that you would like to put on our second-hand instrument register, please bring the instrument in to school to be assessed by our music teachers and collect a second-hand instrument form. Forms should be filled out and returned to the Music Office.

Upcoming and Important Dates:

Sunday 18 May  Autumn Brunch: School Gym – 10am-1pm
Junior, Intermediate, Senior concert bands, Jazz, Stage and Funk bands, Junior and Intermediate Strings.

Thursday 22 May  Autumn Nights: 7.30pm Banyule Theatre – Intermediate and Senior choirs, guitar ensembles, Senior Strings, Flute ensemble, Double Bass ensemble.

Monday 8 September  Jazz Night, Watsonia RSL

Monday 13 October  Gala Concert, Plenty Ranges Conference Centre – All ensembles

HELP! - Assistance Required

Currently I am collecting for a container to Solomon Islands on 18th March. Short notice I know.

The bra distribution group I work with are senior public servants. 2 of them took their children to the first day of primary school this year to find the school closed. The landlord had decided he did not want the school as a tenant, and got a court order. He then moved ALL of the school's property outside, in tropical rain, without telling school admin. They lost every piece of furniture and every resource. This is a 360 kid kinder to grade 6 school.

They have a greenfield site, and parents have built a 2 classroom block in the last 3 weeks, but it may be April before the kinder and grade 1’s have a room. Council offices are being used meantime, when available.

Rotary in Geelong have all the furniture they need, tables and chairs, and can probably cover the teacher desks and filing cabinets needed. They are also finding the $6,000.00 to ship a container of help to the school. What we don't have are the balls, hula hoops, skipping ropes and classroom basics, metre long rulers, rubbish bins, manila folders, flip charts, poster paper, pencils, scissors etc that are the need.

Anything your school communities could contribute to this school before we ship would be lovely.

We have books, but could ALWAYS use more, as the schools in Solomons often have no books or very few. ( see School without Books, on Facebook) We've sent in 1,000 boxes of books in the last year, and the country only has 600 schools, so that has been a significant change for many schools. When you go from having 10 books to having 50, it is like Christmas.

And bras we always need. And new undies for teenage girls who don’t go to school when they have their period unless they have undies to at least hold a rag. See the Other Initiatives page of www.upliftbras.org for the full mess of thing I have going. Any donation can be left at the General Office at Viewbank College by Monday 17th March. Thank you.
