Principal’s Report

Welcome back to a third term and it has already proved to be a cracking pace for the Year 9s and 10s.

Reports
The Semester 1 reports are available to parents on Compass by logging into their Parent Portal. Open it up, and click on the student profile links for your child and this will open a page with a Reports Tab. Click on this and when it opens, there is a tab on the right hand side with a reports section. Underneath it there is a Reporting Cycle heading. Parents need to click on “2014 - Semester 1” link and a box will appear on the bottom left of screen. Click on that and it opens the PDF for the report. If there are any concerns re accessing the reports please contact the General Office for assistance or contact the relevant Well-Being Leaders.

Teacher Professional Learning
This week the College resumed, with teachers using the first day back, working in their Professional Teacher Learning Teams on curriculum redesign. Teachers are imbedding into the new AusVELS framework, a range of measures designed to cater for the learning needs of individual students and to build
curiosity and engagement. It was productive to have a whole day focussed on developing teaching and learning strategies as this essential work, is normally being carried out when the Teacher Teams meet after school each fortnight.

**Year 10 Assembly**

Our Year 10s have come back and look that much older after having completed Work Experience during the last week of term. I have personally received compliments from a number of employers about the calibre of our students and their capacity to listen to instruction, work respectfully and take initiatives. When busy people take time out to write complimentary reports then it is very heartening and a reflection on the values of our students. At a quick assembly on Tuesday, the Year 10s were briefed about this next two week turn around, in terms of subject selection for VCE 2015 and as they are very much having to make mature decisions.

**Subject Expo**

On Wednesday, 16th July the College held its first ever Subject Expo so that our Year 10 and Year 9 students can find out what is on offer in the Senior School. Students were given a Viewbank College showbag in which they could put the materials collected. The College invited several ex students to participate for the Years 9 and 10 to talk to. Each of the Domain and sub Domains with Senior Years studies had created displays and information pamphlets.

From very diverse areas we were delighted to have the following ex students: Jai Lumsden (Melbourne University) - Science/Maths; Georgia Reaburn (William Angliss) – Hospitality & Food Technology/VET studies; Lara Chase (RMIT City) - PR; Louise Stephenson (Swinburne) - Forensic Psychology; Bridget Mortell (Melbourne Uni) - Arts; Isabelle See-Tho (RMIT City) - Fashion and Daniel Kamerteras who is a freelance illustrator/chef in the Army Reserve, after travelling and undertaking a NMIT illustration course. As well our ex student guests, current Year 12 students helped man the tables to provide insights into subject areas and to talk about their experience as learners. Year 9 and 10 classes came to the expo for a twenty-five minute session. The work of the Domains and the organization by Ms Tammy Thatcher and Ms Lisa-Marie O’Connor ensured this event to be a colourful, interactive and informative experience as a forerunner to the information evenings for these levels.

**Year 10 Parent Information Evening**

The Year 10 into 11 Information Evening was held on the same day, with a variety of presenters explaining expectations of VCE studies and subject selection; VCE Scaling; Maths pathways; VET studies and Vocational Pathways and the Transition timeline into Year 11. Students interested in seeking an accelerated Unit 3 and 4 study were advised that they must apply. Successful students will be those deemed capable of achieving VCE success and students
were advised that this is very much about the readiness to take on VCE acceleration. The College will make the offers based on a student’s achievements and learning habits. All Year 10s received their Senior School Handbook which should service them for the next two years and this coming Wednesday, the 23rd July, they are asked to return subject preference sheets for 2015.

**Year 9 into Year 10 Information Evening: Monday, 21st July**

The Year 9s had the opportunity to explore what is on offer at the Subject Expo as a preliminary to the Year 9 into 10 Information Evening, this coming Monday evening, 21st July at 7.30pm. It is absolutely important that we have Year 9 parents attend this meeting as the College is implementing a new Year 10 course structure from 2015. Parents need to understand what the Year 10 program will offer so that they can help discuss possible choices with their child. The Year 10 structure allows for greater choice and challenge with a new timetable alignment that allows for very able students to apply for an accelerated Unit 1 & 2 VCE study. There will be a range of presenters that unpack the options for Year 10 students in terms of Maths, VET, VCE, Work Experience and the elective structure. The Year 9s will receive their Senior School Handbooks on that evening and after they have discussed possible subject selection with parents, they are to attend next Friday 25th July, for course selection interviews.

**Year 9 Course Selection Interviews**

At the end of Term 2, I advised that next Friday, Year 9s will only attend for their course counselling interview. I asked parents to book a appointment time to accompany their child and to date, nearly 100 parents have booked in throughout the day. Next Monday evening, Mr Chris Dunn will attend the Year 9 into 10 Information Evening and parents may make their last minute bookings at the beginning of the evening before the formalities. Bookings will close at 7.30pm and students will be allocated to the remaining appointment times. The timeslots are 15 minutes in duration only and have been scheduled throughout the day from 8.30am through to 5.30pm but no later, as it is a huge undertaking to counsel 200 students. We ask parents to make every effort to book in. Should it be impossible to attend, then please know that your child will be carefully counselled.

**Year 10 Year ‘Keys Please”**

Representatives from the ‘Keys Please’ organization addressed Year 10s this morning about aspects of applying for their L plates and building up the 120 hours of driving experience required and any other attendant issues related to Driver Education. Thank you to Year 10 Well-Being Leader, Ms Tammy Thatcher who arranged this event.

**Sub School Award Assemblies**

Yesterday we conducted two Awards Assemblies: Periods 1 & 2 saw the Middle Years of 7, 8 and 9 come together and then in Periods 3 & 4, the Senior School of Years 10, 11 and 12 followed. Usually we run individual awards assemblies for each year level, as well as, a College Assembly but we felt that it was creating too much time out of class and that we would rather create two special occasions, where younger students could see older students receiving their awards. I would like to thank the Well-Being Leaders and their Assistants for organizing the awards and the Senior and Middle Years Program Leaders for their facilitation of these assemblies. The Middle Years Assembly was conducted by the Year 9 Student Leaders. After, Middle Years Leader, Lauren Ware gave the ‘Acknowledgement of Country’, Andrea Mc Gill and Kathryn Jurgens sang ‘Advance Australia Fair’. Middle Years Leader, Adrian Griesheimer began the assembly and the Year 9 Leaders did a great job of taking turns for the introduction of each of the various categories of awards, including the many sporting awards. The Awards for each level were followed by a multimedia presentation of the level during last Semester. After Claire Youren gave the ‘Acknowledgement of Country’, Alex Warby of Year 11 sang the National Anthem and College Captain, Oskar Casasayas outlined the nature of the morning’s presentations. The Senior Years Assembly also focussed on the awards for Academic Excellence, Endeavour and Sporting Excellence. Like the previous assembly, the Distinctions and High Distinctions for the Geography Competition and the Elite and Gold award winners for Language Perfect were presented. However for both the Geography and Language Perfect competitions there were so many awards across all levels, that we have reserved the Participation Awards for later level assemblies. The winners of the Anzac Day Poetry Writing Competition, Andrew Vassett (Senior Years) and Grace Minchinton (Middle Years) received a certificate and a JB voucher of $25.00 for their poems that were read during the Anzac Assembly last term. It was particularly pleasing to see the number of students receiving well-earned awards at every level. Especially, the number of Year 12s who were receiving subject awards of excellence.
and endeavour awards was most heartening. As the Year 12 have but 15 weeks left in the College, it was a good time to encourage them to grow the momentum.

At both assemblies the ensemble from the College Production, in full costume, performed two numbers to delight their audiences. At the Senior Assembly, Benjamin Cooke performed an innovative guitar solo while, Paul Kascamanidis sang a John Lennon song. This was a positive start to Term 3 and certainly, an opportunity for students to think about their involvement and achievement.

**Year 8 Careers Day**

Also on Friday 25th of July, the Year 8s as part of the overlay program, will have a whole day devoted to their transition into Year 9 with a particular, careers focus. The Year 8s will be given their Year 9 handbook and subject selection sheets and they will hear from a variety of Domain representatives about courses available. Our College Captains will talk about their pathways and give tips for future success. The Year 8s will complete an on-line profile of themselves which will assist with their subject choices. They will also be asked to commence a portfolio so that they can start mapping and developing a concept of vocational pathways. We would expect Year 8 parents to read through the Year 9 Handbook to learn what is on offer for Year 9s in 2015 and discuss with their child, subject selection especially the choosing of electives. It is important not to specialise too soon and use the elective system as a means of exploration of interest.

Next Monday, the Year 8s will have a special focus day devoted to encouraging them to start thinking seriously about their possible careers pathways. Certainly, this is about consciousness-raising.

**Viewbank College Community Focus Evening ~ Monday 28th July at 7pm**

Last year, as the College prepared for the Review, we organized an evening for our community of parents, students and teachers. That evening was immensely productive and certainly, it further informed some of the directions that we had identified as future goals from the intense self-analysis completed by staff. At our ‘Future Directions Evening’ last year, our College Councillors led tables in focussed discussions to encourage constructive feedback. We allocated a mix of parents, students and teachers on every table and where parents and their child attended, we allocated separate tables to facilitate free discussions. Our students shone as they became the sounding boards for parents and staff at each table. The night was such a positive experience for all who attended and as a result, a number of parents asked if it was possible to host such an evening each year.

I would like to invite interested parents, students and staff to the “2014 Viewbank College Community Focus Evening” to be held on Monday, 28th July at 7.00pm in the Library. We have three major focus areas to explore:

- The Reports: feedback on the Semester 1 Reports
- Vocational Pathways
- ICT - the Introduction of Personal Learning Devices in 2015 for Years 7 and 10 (as identified in the Strategic Plan)

It is most important that Year 9 parents come to this evening, as we need to launch a dialogue about 1:1 Technology for Year 10s for next year. We will be discussing the Year 7 implementation with prospective parents at a separate meeting.

To allocate places and for catering purposes towards a light supper, we need for parents, students and staff to email Assistant Principal, Maree Gaffney: gaffney.maree.e@edumail.vic.gov.au

**The LOTE Theatre:**

The Annual LOTE Theatre will be held next Thursday, 24th July at the Banyule Theatre. This is our Senior LOTE students being their most extrovert best, presenting their own brand of madcap interpretations of pop culture in German and Japanese. It is of no consequence that we in the audience generally have little linguist knowledge of German or Japanese as the performance material comes from nursery rhymes, pop literature, films and songs as well as well-known advertisements. Little gets lost in translation. We all need a good belly laugh and this event never disappoints. Included in the ticket price is supper, offering German ‘kuchen’ (cake) and Japanese sushi and rice crackers to have with a cuppa or cold drink.

Tickets are $5 for students and $10 for adults and bookings are through Trybooking http://www.trybooking.com/FCPL
Year 11 Presentation Ball
Another group practising their dance routines are the Year 11 presentation candidates. This premier event for Year 11 is looming up fast and will take just one week after the College Production finishes, on Saturday, 9th August, at The Centre, Ivanhoe.

‘Hairspray’ is a sell out!!! :
At the end of last term, I reported the status of ticket sales, explaining that there were limited places left. As a result, the College Production this week sold out for the first time ever in our history of College Productions. It is amazing that two weeks prior to Opening Night all tickets have gone. I have had requests for an extra evening but that has already been included. It is not possible to extend the season further. I understand that there will be disappointed members of the community but the tickets have been advertised since the 29th May.

Our 141 students who comprise the 76 in cast, 25 in orchestra and 40 in crew and tech support, have been rehearsing over the holiday period and after 7 shows, will be exhausted and will need to regroup to focus on their studies. Our Co-Directors, Andrew Hondromatidis and Broden Kelly, who give over and beyond for their alma mater and for the students in the show, are professional actors and following our season, have their own commitments to pursue.

Hondromatidis said one of the biggest challenges staging the production is in the sheer number of actors and the variety of songs.

“Hairspray” looks to be another winner with cast, crew and director Andrew Hondromatidis excited for the show’s July 20 opening night.

Mr Hondromatidis believes the play packages important issues for high school students in a fun way.

“The music’s infectious, upbeat and full of emotion. Hairspray conveys very strong messages through the best possible medium and that’s acting, singing and dancing,” he said.

Mr Hondromatidis hasn’t touched the script or the staging, believing that it’s perfect as it is.

“Hairspray is so appropriate for kids who are going through puberty, or struggle to find their place in the schoolyard,” he said.

Student Alícia, who plays lead Tracy Turnblad, agrees.

“I don’t think it needs changing. I think every member of the cast interprets it differently,” she said.

A HUGE START TO TERM 3 FOR YEAR 10!

It certainly has been a very busy week for our current Year 10s. On Tuesday, Ms Thatcher, Mr Munro, Mr Pitt and I gave a presentation on the transition to VCE, subject selections and Careers advice. A lot of information was relayed and there was much for the Year 10s to consider which I hope has been translated to conversations with parents/guardians at home. On Wednesday, the gym had undergone a transformation with the Subject Expo; this provided yet another opportunity for students to receive answers to queries and questions directly from staff, current and past students. We were fortunate to have eight past students of the College come to give advice on subject choices, and to share their own VCE experiences and transition to University/TAFE. It really was a superb collegial effort by all Domain areas, overseen by Ms Thatcher and Ms Lisa-Marie O’Connor.

That same night, Year 10 parents and students attended the VCE Information Night. They heard about the VCE structure and selection, scaling and subject selection, the Maths pathways, vocational and tertiary directions and expectations of VCE students. Students also collected their 2015-2017 Senior School Subject Handbooks and the yellow Subject Selection sheets. There is much to consider between now and the due date for these forms on Wednesday July 23. If students are confused about subjects and require assistance, please don’t hesitate in speaking to any staff member in the Coordinators Office and in particular, advice should be sought from Mr Pitt and Mrs Irene Vafeas-Walsham in the Careers Office.

The blue Application for Accelerated VCE Study forms also proved popular on the night. For students who wish to undertake a Units 3 & 4 study next year, please be mindful that the selection criteria needs to be met and the application needs to be endorsed by the subject teacher and Domain Leader. With reports becoming available to parents and students from today, the weekend may prove to be a busy time in completing this form in readiness for the Wednesday July 23 deadline. Letters of confirmation will be posted to successful applicants on August 1. If you or your student were unable to attend on the night, copies of the Handbook and the Subject Selections sheet are available from the Coordinators Office. The Handbook is also available online on the College website.

The week finishes with the Keys Please presentation to all Year 10s today – a more comprehensive report on this and the Senior School Awards Assembly, held yesterday, will be on next week’s Newsletter.

Thank you,
Sue Calder

Year 10 Health Issues—Health Promotion Activities

At the end of term 2, five groups of Year 10 students undertook the task of choosing a relevant health issue for Viewbank College students and then researching, planning and running a promotion campaign. The outline of each group theme is outlined below with some images from the events!

- Healthy Eating and Physical Activity - Netball Competition and Instagram Healthy Lifestyle Image competition
- Stress and Anxiety - Mindfulness Meditation session for Year 12 students (with Richard Euston!)
- Body Image - Presentation to all year 10 girls (with Kate James)
- Drugs and Alcohol presentation to year 10 girls (with Rose Gray)
- Digital Media usage: Sample lesson and message for year 7 students

Year 10 Girls Body Image and Safe Partying Session

On Wednesday 11th June a group of girls from the Year 10 Health Issues class hosted a body image session in the library for 2 periods. Over the session we got a variety of different speakers talking about body image and partying. It was a time to ask questions and find out more information about things the Year 10 girls have been concerned about, from gaining more confidence to staying safe at parties.

To start off the morning we got two current Year 12 girls (Claire Youren and Rachel Gough) who spoke about the stresses of VCE and how a healthy lifestyle is of great importance. Next up was Kate James from Banyule Youth Services and she spoke about how 90% of things in the media is not as it seems with most of the advertising being photoshopped. She also gave an interesting analysis of a Facebook profile picture.

Following that was an interesting Trivia challenge all about body image hosted by Hannah Gray!

We then had Rose Gray from Student Welfare talking about the dangers of underage drinking and its impact on sexual activity and body image. Rose kept all the girls captivated with a very well put together presentation put together with her fabulous sense of humour. She covered all the basics on how to be safer in partying situations.

We are very appreciative and thankful to everybody who helped make the campaigns possible.

Mt Buller Daytrip
During Term 3 the Year 8 Cohort will have the opportunity for an exciting daytrip to Mt Buller Alpine Resort. Students will learn either Skiing or Snowboarding in a 2 hour lesson and then spend the afternoon on the slopes with their classmates. We plan for 8A to 8D to attend on the Thursday (21st) and then 8E to 8H to attend on the Friday (22nd).

Trip cost is $200 and includes coach travel, gate entry, 1.5 hour lesson, lift ticket, Ski/snowboard hire, boots, helmet, wrist guards. This payment, plus any additional equipment hire cost is due on Friday 1st August and can be paid on Compass. Please note that Ski Jacket and Ski Pants can be hired and this requires a separate form that can be collected from the Coordinators office.

Itinerary
- 5:45am - Students arrive at the College for a sharp 6am departure (No Waiting!)
- 8am - Toilet stop in Mansfield
- 9:30am-11am - At Buller Sports (Mt Buller Village), students collect equipment
- 11:30am to 1pm - Ski or Snowboard lesson
- 1pm to 1:45pm - Lunch at the ABOM restaurant
- 1:45pm to 4:15pm - Free Ski/Board time with supervising teacher
- 4:15pm - Students return their equipment at Mt Buller Village
- 5pm - Bus leaves for Yea
- 7pm-7:45pm – dinner in Yea
- 7:45pm - Bus leaves for Viewbank College and returns between 8:30 and 9pm

Compulsory Gear List
Due to the changing nature of alpine weather, all of the following equipment is compulsory regardless of the weather forecast.
- Waterproof ski jacket and ski pants. Mt Buller do hire out a jacket and pants for $35. (The form for this can be collected from the Coordinators office)
- Beanie, scarf, ski goggles and ski gloves
- Warm jumper/fleece, thick ski socks, thermal pants/leggings
- Packed breakfast (no breakfast stops) and snacks for the day.
- Packed lunch and dinner/roughly $35 to buy both.

History News

History News - Competitions
In addition to the two competitions mentioned in a recent newsletter, details of another competition have been forwarded to the College.

Living Spirit Fellowship
This is the ‘Living Spirit’ Fellowship, awarded annually by the Greensborough RSL Sub-Branch. These fellowships were established to ‘nurture younger generations to understand the part played by many Australians in ensuring the great freedom we enjoy today is never forgotten.’

Students are required to make a submission in accordance with an Application form and are asked to state what their expectations are regarding a visit to Hellfire Pass and what message they would bring back to the community. This is an amazing opportunity for students to take up. The Fellowship provides airfares, accommodation and organised tour to Thailand for ANZAC Day 2015 for the successful student and his/her parent.

Application forms are now available. Students should see Mrs. Jones in the A block staffroom if they are interested. This fellowship is open to students in years 10, 11 and 12. The closing date for all submissions is Friday 24th October.

A reminder of the other two competitions:

Premier’s Spirit of Anzac Competition
The Premier’s Spirit of Anzac Prize inspires young people to explore the ethos displayed by the Anzacs at Gallipoli and the Western Front and reflect on how those values apply in Victorian communities today. The Prize is open to students in year 9 and 10 at all Victorian secondary schools. Through the competition 12 students from across Victoria will travel on an overseas study tour to Gallipoli and the Western Front.

Students are required to respond to a question about the ANZAC centenary and can enter research essays, artworks, musical compositions or audio, video or web-based presentations. Entries must be received by Friday 17th October, 2014.

All students in year 9 and 10 are encouraged to think about participating in this competition.

See www.veterans.vic.gov.au for more information.

Anzac Day Dawn Service Tour
See www.anzacentenary.vic.gov.au for information on how to apply.

Students interested in applying for any or all of these tours should see Mrs. Jones in the A block staff room.

LOTE Theatre News

In the last weeks of term, the Senior LOTE rooms, after the demands of exams, start resounding with the sound of Abba and the Spice Girls and many others, which have been carefully translated into Japanese or German in readiness for the LOTE Theatre Restaurant.

- a great event which this year celebrates its 21st Anniversary.

It will be held on the evening of Thursday 24th July at 7.30pm in the Banyule Theatre, and not only provides superb entertainment, but also delicious food. Both Sushi and delicious Kaffee and Kuchen will be served at interval.

We always have fun and would like you to join us, so please book your ticket/s by clicking on the following link:

Coffee Shop & Production Helpers wanted

The Friends of Performing and Visual Arts (FoPAVA) organise the catering and rosters for the Coffee Shop, which provides supper for the audience during intermission at each performance of Hairspray, as well as assistance with selling programs, raffle tickets and other activities. FoPAVA would appreciate your assistance to help make the production a successful event once more.

The Coffee Shop has enormously complemented the production with the quality of service and variety of supper items on offer to the audience during intermission. In order to maintain this important aspect of the production, please consider providing a plate of supper on ONE of the five evenings of 29th July, 30th July, 31st July, 1st August, 2nd August, or the Saturday matinee on 2nd August. All contributions, whether homemade or bought, would be much appreciated. Donations of fruit would also be greatly appreciated.

Any contributions may be left at the General Office at the College by 4pm or at the Banyule Theatre by 7pm, or by 12 noon at the theatre for the Saturday matinee. In addition, we are asking for your support to help out at the Coffee Shop during ONE performance. If you could spare some time to help prepare, set out or clean up afterwards, this would be most appreciated.

I hope you will consider volunteering and we look forward to your support of the production through this vital service. For further information please contact the College on 9458 2811.

Thanking you in anticipation of your support.

Yours sincerely,

John Munro
Assistant Principal
