What is LearningField?
LearningField is a world-first Australian innovation that delivers curriculum-linked digital textbooks directly to teachers and students. With LearningField, teachers and students can select from a huge online library of textbooks from Australia's leading educational publishers. They can access these anywhere, anytime on a range of devices – iPads, Macs, PCs or Android tablets.

Your child's LearningField subscription
In 2015, Year 7 students will be using LearningField to access digital textbooks for English, Mathematics, Science, Geography and History. LearningField is available as an annual subscription for $185.95 per student, which allows unlimited access to texts for these subjects for the 2015 school year and includes access to the Essential English Skills eWorkbook. Subscriptions can be paid online at www.learningfield.com.au. Your school will provide you with the password required to access LearningField.

Payment can only be made from 26 January 2015 and is due by 6 February 2015
Note: You will need your child's school email address to make payment
