Roles and responsibilities

School leaders will ensure that each person understands their role, responsibilities and behaviour expected in protecting students and young people from abuse and neglect. Staff will comply with the school’s Child Safety Code of Conduct, which sets out clearly the difference between appropriate and inappropriate behaviour.

Specific child safety responsibilities:

- The Principal Class Members are responsible for reviewing and updating the Child Safety Policy every 3 years.
- The Principal Class Members are responsible for monitoring the school’s compliance with the Child Safety Policy. The school community should approach a Principal Class Member if they have any concerns about the school’s compliance with the Child Safety Policy.

All prospective volunteers are required to maintain a valid Working with Students Check. This will include requiring all volunteers on fete stalls, fundraising committees.

Training and supervision

Training and education is important to ensure that everyone in the school understands that child safety is everyone’s responsibility.

Our school culture aims for all staff and volunteers (in addition to parents/carers and students) to feel confident and comfortable in coming forward with any allegations or suspicions of child abuse or child safety concerns. We train our staff and volunteers to identify, assess, and minimise risks of child abuse and to detect potential signs of child abuse. This training occurs annually or more often as required

We also support our staff and volunteers through ongoing supervision to develop their skills to protect students from abuse, to promote the cultural safety of Aboriginal and Torres Strait Islander students and students from linguistically and/or diverse backgrounds, and the safety of students with a disability, LGBTIQ students and vulnerable students.

New employees and volunteers will be inducted into the school, including by being referred to the Child Safety Policy (this document), the Child Safety Code of Conduct, and the Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures on the school website. New employees and volunteers are provided with and required to sign the Child Safety Code of Conduct.

They will also be supervised regularly to ensure they understand our school’s commitment to child safety, and that their behaviour towards students is safe and appropriate. All employees of our school will be monitored and assessed via regular performance review to ensure their continuing suitability for child-connected work. Any inappropriate behaviour will be reported by school staff to the Principal or Assistant Principal and will be managed in accordance with Viewbank College’s [Child Safety Responding and Reporting Obligations \(including Mandatory Reporting\) Policy and Procedures](#) where required.

Reporting a child safety concern or complaint

The school has clear expectations for all staff and volunteers (including homestay providers) in making a report about a child or young person who may be in need of protection. All staff (including school council employees) must follow the school’s Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures, including following the [Four Critical Actions for Schools](#) if there is an incident, disclosure or suspicion of child abuse. Immediate actions should include reporting their concerns to DHHS Child Protection, Victoria Police and/or

another appropriate agency and notifying the principal or a member of the school leadership team of their concerns and the reasons for those concerns.

Viewbank College will never prohibit or discourage school staff from reporting an allegation of child abuse. The school will always take action to respond to a complaint in accordance with the school's Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures. In accordance with Action 4 of the Four Critical Actions for Schools, Viewbank College will provide ongoing support for students affected by child abuse.

The school recognises there are potential risks to students and young people and will take a risk management approach by undertaking preventative measures.

We will identify and mitigate the risks of child abuse in school environments by taking into account the nature of each school environment, the activities expected to be conducted in that environment and the characteristics and needs of all students expected to be present in that environment.

Viewbank College monitors and evaluates the effectiveness of the actions it takes to reduce or remove risks to child safety, more information can be found in the school's risk assessment register.

Students can access information on how to report abuse at the Middle and Senior School Offices or at the Wellbeing Centre.
