PURPOSE

To explain to our school community the Department's and Viewbank College's policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours.

SCOPE

This policy applies to:

1. All students at Viewbank College and,
2. Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

POLICY

Viewbank College understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Viewbank College:

- Students who choose to bring mobile phones to school must have them switched off and securely stored in a locked locker during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Viewbank College during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Viewbank College are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Viewbank College does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items.

Where students bring a mobile phone to school, Viewbank College will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Viewbank College students are required to store their phones in their locked (with padlock) locker.

Enforcement

Students who use their personal mobile phones inappropriately at Viewbank College may be issued with consequences consistent with our school's existing [Student Wellbeing and Engagement](#) and/or [Bullying Prevention](#) policies.

At Viewbank College inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
- to send inappropriate, harassing or threatening messages or phone calls
- to engage in inappropriate social media use including cyber bullying
- to capture video or images of people, including students, staff and members of the school community without their permission
- to capture video or images in the school toilets, changing rooms, swimming pools and gyms
- during exams and assessments

Consequences for breaches of guidelines

Breaches of the guidelines will result in:

- The student's mobile device being confiscated immediately by staff. If the student refuses to hand over the mobile device, the student will be sent to the Assistant Principal's office with their device.
- The staff member will hand over the confiscated mobile device to the relevant Assistant Principal. The confiscation will be recorded on Compass.
- On the first offence, the mobile device can be collected by the student from an Assistant Principal at the end of the school day.
- Subsequent offences will require a parent/guardian of the student to collect the mobile device at the end of the school day.

- Repeated breaches of this policy will lead to detention, Principal’s detention and/or suspension from the College.

Exceptions

Exceptions to the policy:

- may be applied during school hours if certain conditions are met, specifically:
 - Health and wellbeing-related exceptions
 - Exceptions related to managing risk when students are offsite
 - Learning related exemptions
- can be granted by the Principal, or by the teacher for that class, in accordance with the Department’s [Mobile Phones — Student Use Policy](#).

The three categories of exceptions allowed under the Department’s [Mobile Phones — Student Use Policy](#) are:

1. Learning-related exceptions

Specific exception	Documentation
For specific learning activities (class-based exception)	Unit of work, learning sequence
For students for whom a reasonable adjustment to a learning program is needed because of a disability or learning difficulty	Individual Learning Plan, Individual Education Plan, Ready to Learn Plan

2. Health and wellbeing-related exceptions

Specific exception	Documentation
Students with a health condition	Student Health Support Plan
Students who are Young Carers	A localised student record

3. Exceptions related to managing risk when students are offsite

Specific exception	Documentation
Travelling to and from excursions	Risk assessment planning documentation
Students on excursions and camps	Risk assessment planning documentation
When students are offsite (not on school grounds) and unsupervised with parental permission	Risk assessment planning documentation
Students with a dual enrolment or who need to undertake intercampus travel	Risk assessment planning documentation

Where an exception is granted, the student can only use the mobile phone for the purpose for which it was granted.

Camps, excursions and extracurricular activities

Viewbank College will provide students and their parents and carers with information about items that can or cannot be brought to camps, excursions, special activities and events, including personal mobile phones.
