Dear Parent/Guardian,

Viewbank College is proud of the quality of our facilities and resources available for our students to enjoy, and few schools match the numerous programs we offer to cater for students' needs and interests. We would like to advise you of the voluntary financial contributions for 2025.

Schools provide free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary.

The College Council seeks your support with the following contributions.

- **Curriculum Contributions (p2-3)**
 - o General items and activities that students use across the curriculum; and
 - o Items specific to Year 9 & 10 Electives, VCE & VET
- **Extra-Curricular Contributions- provided on user pays basis (p4)**
 - o College Magazine, Outdoor Education & Duke of Edinburgh Camps and Instrumental Music
- **Other Contributions (p5)**
 - o Value-Added, Building Fund and General Contributions

We understand that some families may experience financial difficulty; page 6 includes information on a range of support options.

Please review the options and then complete your payment on the Compass Parent Portal. For more information on the Department's Parent Payments Policy please see a one-page overview attached.

Together we can make a difference in the programs, facilities, and services provided to best support student learning.

Yours sincerely,

Sharon Grimes
Principal

Sam Ricardo
School Council President

Schools provide students with free instruction to fulfil the standard curriculum requirements. However, the school incurs numerous costs, highlighted in the tables below.

Your voluntary contributions here will enable us to continue to support student learning.

Please note that all year level booklists will be available on the College website – this will list the items that the school recommends you purchase from Campion Books (or other book supplier) for your child to individually own and use.
